

WIS 175 (Appleton Ave.)

Intersection with Pilgrim Rd and Menomonee Ave.

Waukesha County

May 29, 2020

CONSTRUCTION START NOTICE

Wisconsin Department of Transportation contractors will begin construction at the intersections of Appleton Avenue and Pilgrim Rd, Appleton Avenue and Menomonee Avenue, and Pilgrim Rd and Menomonee Avenue on Monday June 8, 2020. The project involves replacement of traffic signal equipment, geometric modification to turn lanes and through lanes, removal of high mast lighting, and resurfacing of the existing pavement. Through access will be maintained during the course of the project, however staging will require lane closures on WIS 175 (Appleton Ave.). The project will restore all traffic lanes by late summer 2020 and construction will be complete with installation of signal equipment in spring of 2021.

Construction Schedule:

- June 8, Construction Starts
- Early September – Complete construction of all curb, pavement, signing, marking – remove all traffic restrictions
- Spring 2021 – Remove temporary signal control, complete installation of new signal equipment
