

ATTACHMENT B - US 51 TRAFFIC CONTROL STAGING EXHIBITS

TENTATIVELY
EARLY SEPTEMBER - LATE JUNE
2015 - 2016

- Southbound US 51 entrance and exit ramps at Cottage Grove Road will be open tentatively October 2015.
- Southbound US 51 traffic (2 lanes) will be shifted to the new exit ramp bridge utilizing temporary connections to mainline.
- The main item of work is the new southbound US 51 bridge over Cottage Grove Road.

NOTE: This map only depicts general staging for US 51, there will be work on Cottage Grove Road simultaneously which will affect traffic. There will be one lane of traffic in each direction, westbound and eastbound, at all times. These lanes will be switched to different areas of the roadway utilizing crossovers to accommodate construction activities. Tentatively work on Cottage Grove Road will be complete October 2015.
