

Construction Update Meeting

December 7, 2015

WIS 42/57 Michigan Street – Egg Harbor Road Reconstruction Project

WisDOT completed a traffic study of the WIS 42/57 corridor through Sturgeon Bay in 2010. Through a collaborative effort between state, county, and city officials, the following improvements were recommended for 1.7 miles of highway between Michigan Street and Egg Harbor Road:

- Reconstructing the existing 2-lane roadway with concrete pavement
- Installing a multi-lane roundabout at Michigan Street intersection
- Constructing a restricted median at Alabama Street intersection
- Installing a multi-lane roundabout at Egg Harbor Road intersection

Bayview Bridge Rehabilitation Project

In addition to the road reconstruction project, rehabilitation to the Bayview Bridge will be performed as well. Improvements include:

- Replacing steel beams and the steel grid deck
- Replacing expansion joints and bearings
- Performing concrete repairs to girders, abutments, and parapets
- Repairing and replacing machinery and electrical components

Traffic Impacts

Construction is scheduled to begin in late March 2016 during which:

- WIS 42/57 will be closed to through traffic from the Bayview Bridge to Egg Harbor Road and will be detoured through downtown Sturgeon Bay for the duration of the project
- East/west traffic can cross WIS 42/57 at Utah Street and Alabama Street
- Bayview Bridge will not be available to open for waterway traffic. Height restrictions for waterway traffic will be in place during this time.

Construction is scheduled for completion in July 2016.

Traffic on WIS 42/57 will be reopened prior to 4th of July weekend to accommodate the Door County tourist season.
