RECONSTRUCTION OF BRAUN ROAD

The Wisconsin Department of Transportation (WisDOT) is currently reconstructing 16.5 miles of multi-lane roadways in and around the Wisconsin Valley Development. The construction includes signalized intersections, landscaping, and multi-use paths. As part of this construction, Braun Road, between East Frontage Road and County H, is being reconstructed to a 6-lane concrete roadway. Highlights of the construction schedule are provided below.

BRAUN ROAD

- Closed to public traffic summer 2018 and reopens late fall 2019
- The following work was completed in 2018:
 - > Construct a new box culvert at the Kilbourn Road ditch
 - > Begin construction of the new eastbound roadway
- The following work is scheduled to be completed in 2019:
 - > Complete the new eastbound and westbound lanes of Braun Road
 - > Install signals
 - > Landscaping

All work is weather dependent and subject to change.

The project team thanks you for your patience and cooperation throughout this project!
