

PROJECT OVERVIEW

Development Roads Project information

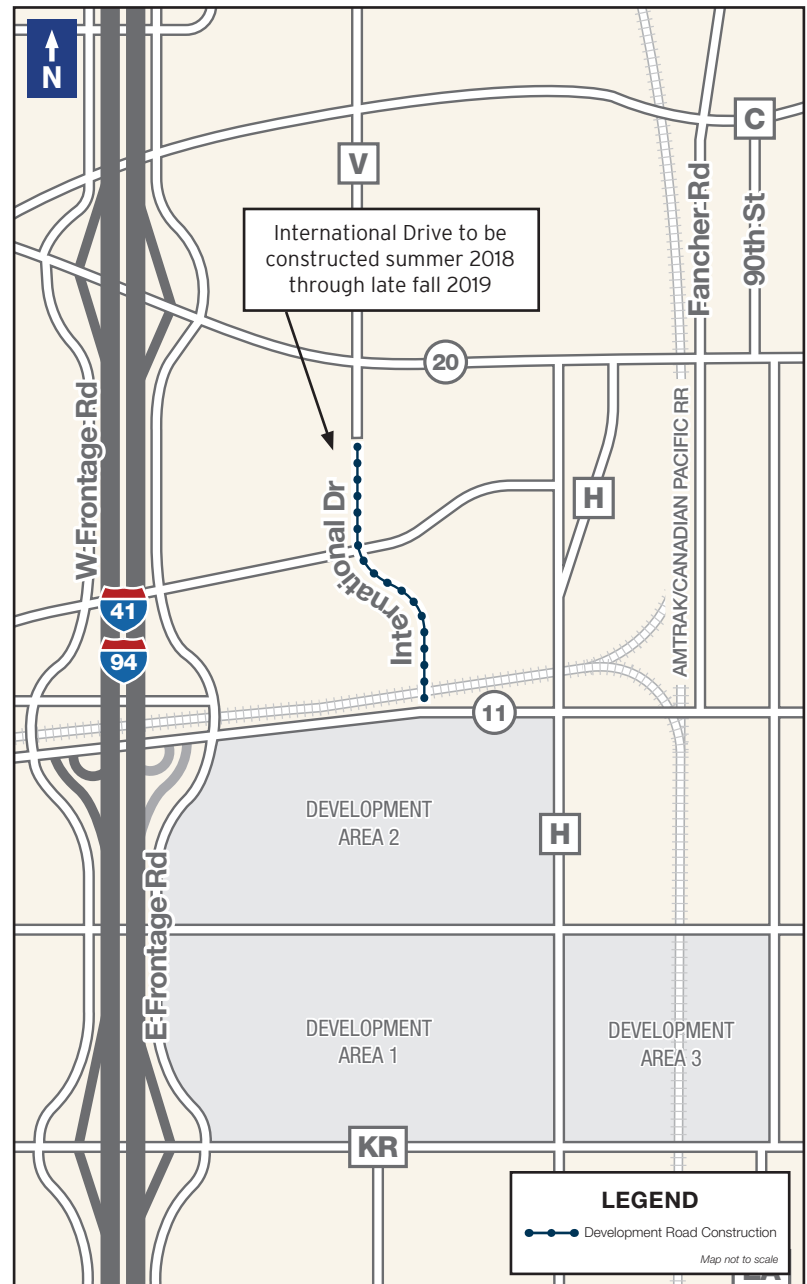

CONSTRUCTION OF INTERNATIONAL DRIVE

The Wisconsin Department of Transportation (WisDOT) is currently reconstructing 16.5 miles of multi-lane roadways in and around the Wisconn Valley Development. As part of this construction, International Drive is being extended south from its current termini to provide a new 4-lane concrete roadway connecting WIS 11 to WIS 20. Highlights of the construction schedule are provided below.

INTERNATIONAL DRIVE

- Work began in summer 2018 and opens late fall 2019.
- The following work was completed in 2018:
 - > Box culvert construction
 - > Begin grading, storm sewer and pond construction
- The following work is scheduled to be completed in 2019:
 - > Finish grading, storm sewer and pond construction
 - > Concrete paving
 - > Landscaping
 - > Resurfacing of Louis Sorenson Road from East Frontage Road to County H

All work is weather dependent and subject to change.

The project team thanks you for your patience and cooperation throughout this project!
