

PROJECT BRIEF

MAY 5, 2020

Development Roads Project Information

BRAUN ROAD TO CLOSE LONG-TERM

The Wisconsin Department of Transportation (WisDOT) is underway with the Braun Road Phase II reconstruction project. As part of this project, Braun Road is scheduled to close long-term as crews work to reconstruct the Braun Road/90th Street intersection.

UPCOMING WORK BEGINNING WEDNESDAY, MAY 6:

- Braun Road, between 90th Street and Willow Road, is scheduled to close long-term through summer 2020.
 - Braun Road, at 90th Street, is scheduled to be reconstructed.
 - Braun Road, between 90th Street and Citadel Terrace, is scheduled to be resurfaced.

Access to residents on Braun Road, located within the full closure, will be maintained for the duration of the closure; however, access will only be available from the east.

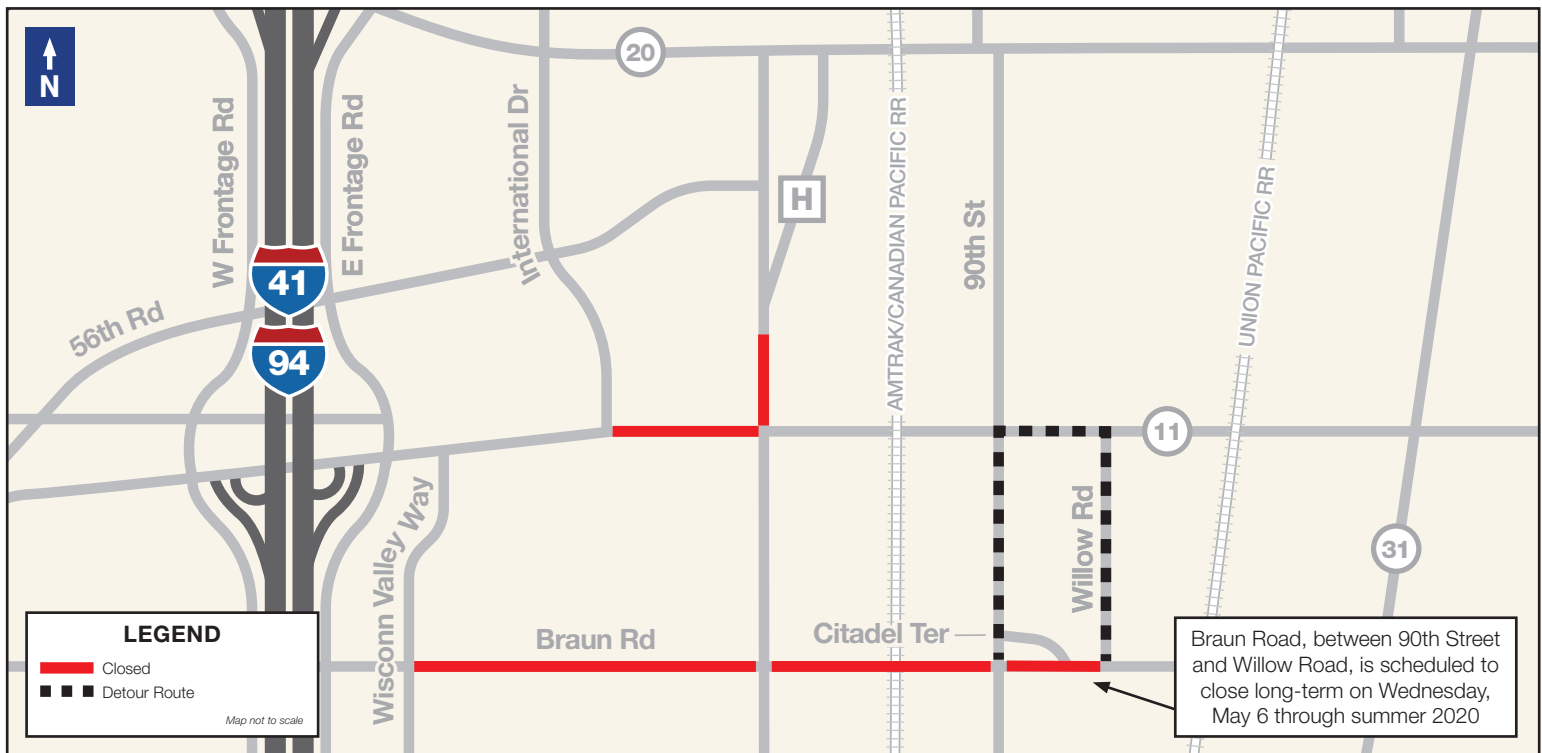

Detour Route

- > Travelers are encouraged to use 90th Street, WIS 11, and Willow Road to get around the Braun Road closure.

All work is weather dependent and subject to change.

To ensure you receive all future communications regarding the Braun Road Phase II project, sign up for our email distribution list by sending your name and email address to Athena Lorono at Athena@devorpr.com

The project team thanks you for your patience and cooperation throughout this project!
