

PROJECT OVERVIEW

Development Roads Project Information

RECONSTRUCTION OF COUNTY KR (COUNTY H TO OLD GREEN BAY ROAD)

The Wisconsin Department of Transportation (WisDOT) is currently reconstructing 16.5 miles of multi-lane roadways in and around the Wisconsin Valley Development. As part of this construction, County KR, between County H and Old Green Bay Road, is being reconstructed. Highlights of the construction schedule are provided below.

COUNTY KR

- **The following work is scheduled to take place in 2020:**
 - > Begin reconstruction of County KR, between County H and WIS 31, to a 4-lane concrete roadway.
 - > Begin reconstruction of County KR at the CPRR and UPRR crossings and Pike River.
 - > County KR, between County H and WIS 31, is scheduled to close to traffic.
- **The following work is scheduled to take place in 2021:**
 - > Continue reconstruction of County KR, between County H and Old Green Bay Road, to a 4-lane concrete roadway.
 - > County KR, between WIS 31 and Old Green Bay Road, is scheduled to close to traffic.
 - > WIS 31, at County KR, will be reduced to one lane in each direction while the interchange is reconstructed.
- **The following work is scheduled to take place in 2022:**
 - > Continue reconstruction of County KR, between County H and WIS 31, to a 4-lane concrete roadway.
 - > Reconstruct/realign the 90th Street and 72nd Avenue (County EA) intersection.
 - > Project restoration.

The project team thanks you for your patience and cooperation throughout this project!

All work is weather dependent and subject to change.

MEET YOUR COUNTY KR PHASE II PROJECT STAFF

HEATHER SACKMAN, P.E.

Heather graduated from the University of Wisconsin-Milwaukee with a Bachelor of Science in Civil Engineering and is a Licensed Professional Engineer. She has over 12 years of design and construction experience, with the last seven years as a Project Manager with the Wisconsin Department of Transportation. She has spent the last three years on projects focused primarily in Racine and Kenosha counties.

JEFF REEDY, P.E.

Jeff is a Licensed Professional Engineer in Wisconsin and Illinois. He has 26 years of WisDOT construction experience. Jeff's work in the local area began on State Highway 165 construction in 1993 and most recently has spent the last three years working on roadways around the Foxconn development.

GINA HOWELL

Gina graduated from Alverno College in Milwaukee, Wisconsin with a Bachelor of Arts degree in Interactive Media, Studio Arts, and Global Studies. She has over 10 years of experience in digital communications strategy and development, and has worked as a Senior Public Involvement Specialist for six years.
