

PROJECT OVERVIEW

Development Roads Project Information

WIS 11 (67TH DRIVE TO WEST FRONTAGE ROAD)

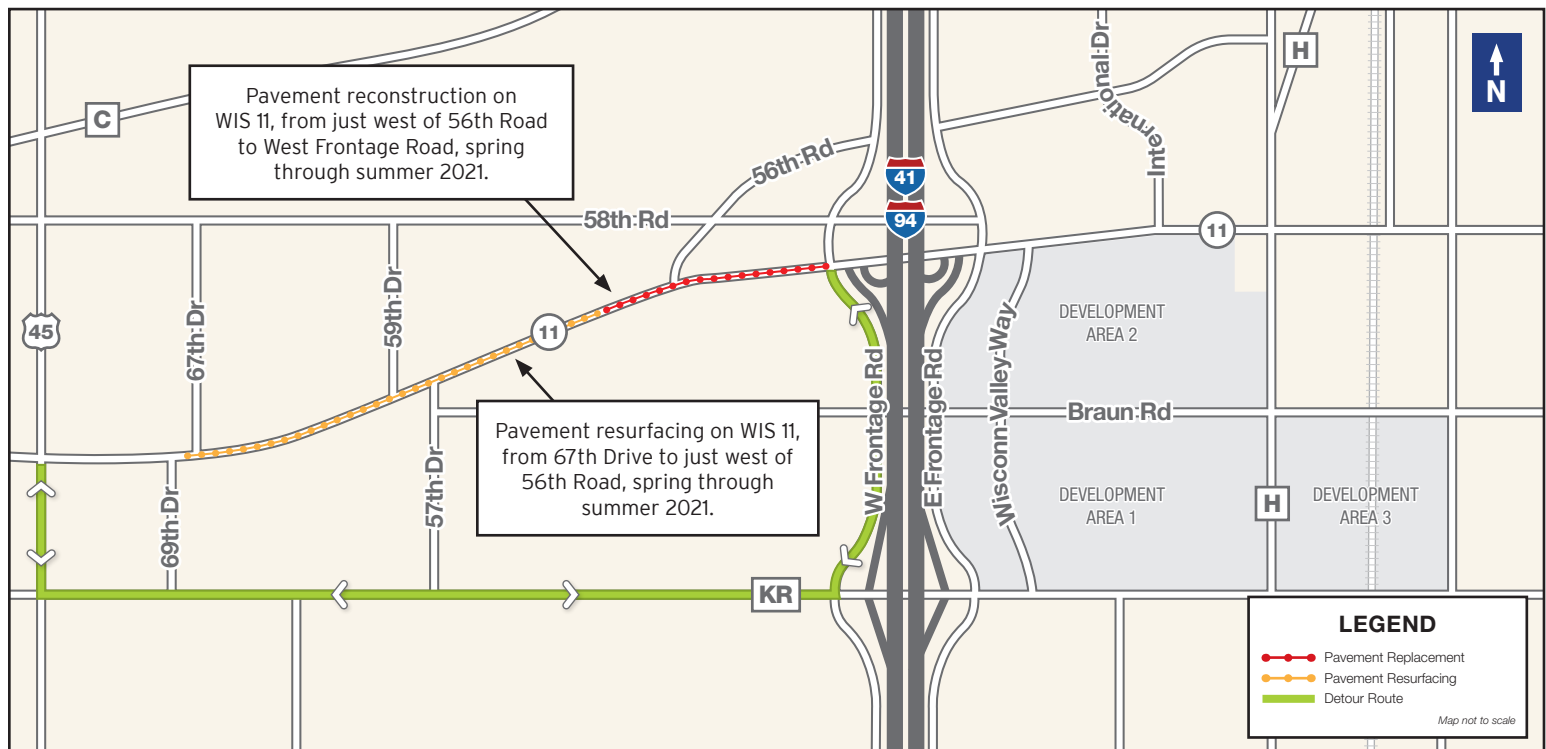

The Wisconsin Department of Transportation (WisDOT) is currently reconstructing 16.5 miles of multi-lane roadways in and around the Wisconsin Valley Development. As part of this work, the pavement on WIS 11, between 67th Drive and West Frontage Road, is being reconstructed and resurfaced. Highlights of the construction schedule are provided below.

WIS 11 (67th Drive to West Frontage Road)

- The following work is scheduled to begin in spring and continue through summer 2021:
 - > Reconstruct WIS 11, between just west of 56th Road and West Frontage Road. This portion of WIS 11 is scheduled to fully close to traffic during construction.
 - > Resurface WIS 11, between 67th Drive and just west of 56th Road.
- Motorists are encouraged to use US 45, County KR, and West Frontage Road to get around the WIS 11 closure.

Access to businesses and residents will be maintained throughout construction.

All work is weather dependent and subject to change.

The project team thanks you for your patience and cooperation throughout this project!
