Flagging Operations on WIS 11

The Wisconsin Department of Transportation (WisDOT) is underway with the WIS 11 Phase II resurface and reconstruct project between US 45 and West Frontage Road. The following work is scheduled for the next phase of the project.

Thursday, June 17:

- Flagging operations are scheduled to take place on WIS 11, between 67th Drive and just west of 56th Road, for approximately one month, while crews resurface the roadway. Local traffic will be maintained in both the eastbound and westbound directions during these operations.

Access to residences and businesses will be maintained.

***Please note that all work is weather dependent and subject to change**

The project team thanks you for your patience and cooperation throughout this project.
