

PROJECT OVERVIEW

Development Roads Project Information

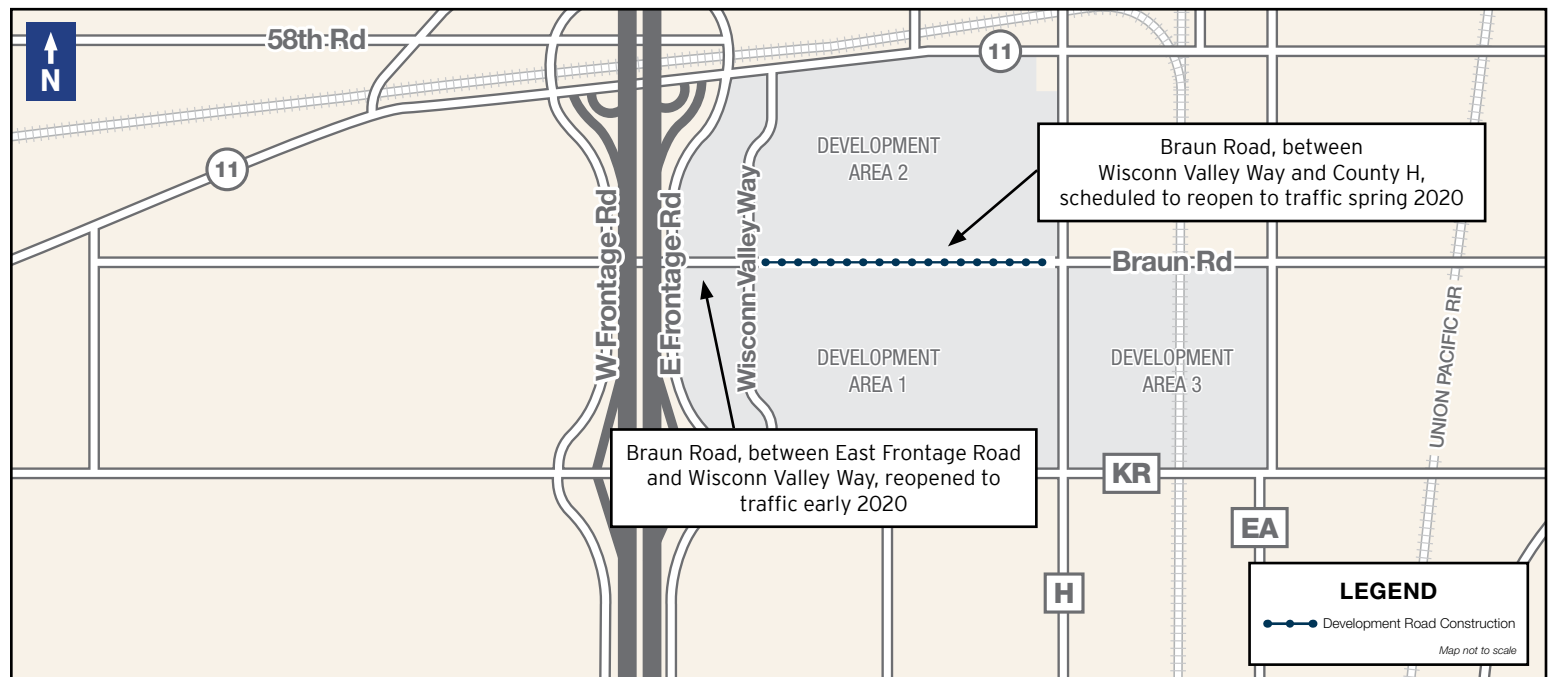

RECONSTRUCTION OF BRAUN ROAD

The Wisconsin Department of Transportation (WisDOT) is currently reconstructing 16.5 miles of multi-lane roadways in and around the Wisconn Valley Development. The construction includes signalized intersections, landscaping, and multi-use paths. As part of this construction, Braun Road, between East Frontage Road and County H, is being reconstructed. Highlights of the construction schedule are provided below.

BRAUN ROAD

- Closed to public traffic summer 2018 and reopens spring 2020.
- The following work was completed in 2018:
 - > Construct a new box culvert at the Kilbourn Road ditch
 - > Begin construction of the new eastbound roadway
- The following work was completed in 2019:
 - > Complete the new eastbound and westbound lanes of Braun Road
 - > Install signals
 - > Landscaping
- Braun Road, between East Frontage Road and Wisconn Valley Way, reopened to traffic early 2020.

All work is weather dependent and subject to change.

The project team thanks you for your patience and cooperation throughout this project!
