WISCONN VALLEY DEVELOPMENT ROADS: 2019 PROJECT OVERVIEW

APRIL 2019

1 International Drive

Begins: August 2018 | Ends: Fall 2019

New four lane concrete roadway connecting WIS 11 to WIS 20.

Work completed in 2018

- Box culvert construction
- Grading, storm sewer and pond construction

Work scheduled to be completed in 2019

- Finish grading, storm sewer and pond construction
- Concrete paving
- Resurfacing of Louis Sorenson Road from International Drive to East Frontage Road

2 Braun Road Phase I

Begins: August 2018 | Ends: Fall 2019

Reconstruct to a new concrete roadway between Wisconn Valley Way and County H. Closed to traffic during construction.

Work completed in 2018

- Construction of new box culvert at the Kilbourn Road ditch
- Construction of new eastbound roadway

Work scheduled to be completed in 2019

- Complete the new eastbound and westbound lanes
- Install signals at Foxconn driveway
- Landscaping
- New roadway open to traffic

3 County KR Box Culvert

Begins: November 2018 | Ends: Early Spring 2019

Reconstruct Kilbourn Ditch box culvert.

4 Wisconn Valley Way Box Culvert

Begins: January 2019 | Ends: Early Spring 2019

Construct new box culvert.

5 Wisconn Valley Way

Begins: Spring 2019 | Ends: Summer 2020

New four lane concrete roadway connecting WIS 11 and County KR.

Work scheduled to be completed in 2019

- Construct new roadway between County KR and WIS 11
- Construct new signalized intersection at Braun Road
- Construct four storm water ponds
- Open to traffic late 2019

Work scheduled to be completed in 2020

Median plantings and final restoration

6 Wisconn Valley Way/County KR Intersection

Begins: Spring 2019 | Ends: Summer 2020

New signalized intersection at Wisconn Valley Way/County KR.

Work scheduled to be completed in 2019

- Reconstruct to a six lane concrete roadway between East Frontage Road and Wisconn Valley Way
- All lanes open to traffic late 2019

Work scheduled to be completed in 2020

Median plantings and final restoration

Wisconn Valley Way/WIS 11 Intersection

Begins: Summer 2019 | Ends: Late 2019

New signalized intersection at Wisconn Valley Way/WIS 11.

Work scheduled to be completed in 2019

- Reconstruct to six lane concrete roadway between East Frontage Road and Wisconn Valley Way
- All lanes open to traffic late 2019

8 County H Phase I

Begins: Spring 2019 | Ends: Spring 2020

Reconstruct to four lane concrete roadway between County KR and Braun Road.

Open to traffic during construction.

Work scheduled to be completed in 2019

- Construct southbound lanes first, then construct northbound lanes
- Install signals at Braun Road, County KR, and Foxconn driveway
- All lanes open to traffic late 2019

Work scheduled to be completed in 2020

Median plantings and final restoration

9 County KR Phase I

Begins: Spring 2019 | Ends: Summer 2020

Reconstruct to a six lane concrete roadway between Wisconn Valley Way and County H.

Open to traffic during construction.

Work scheduled to be completed in 2019

- Construct new westbound lanes first, then construct new eastbound lanes
- Reconstruct County KR/100th Avenue and County KR/113th Avenue intersections
- Install signals at 100th Avenue
- All lanes open to traffic late 2019

Work scheduled to be completed in 2020

Median plantings and final restoration

10 Braun Road Phase II

Begins: Summer 2019 | Ends: Summer 2020

Reconstruct to a four lane concrete roadway between County H and the Canadian Pacific Railroad in 2019.

Reconstruct to a two lane asphalt roadway between the Canadian Pacific Railroad and 90th Street in 2020.

WIS 11 Phase I

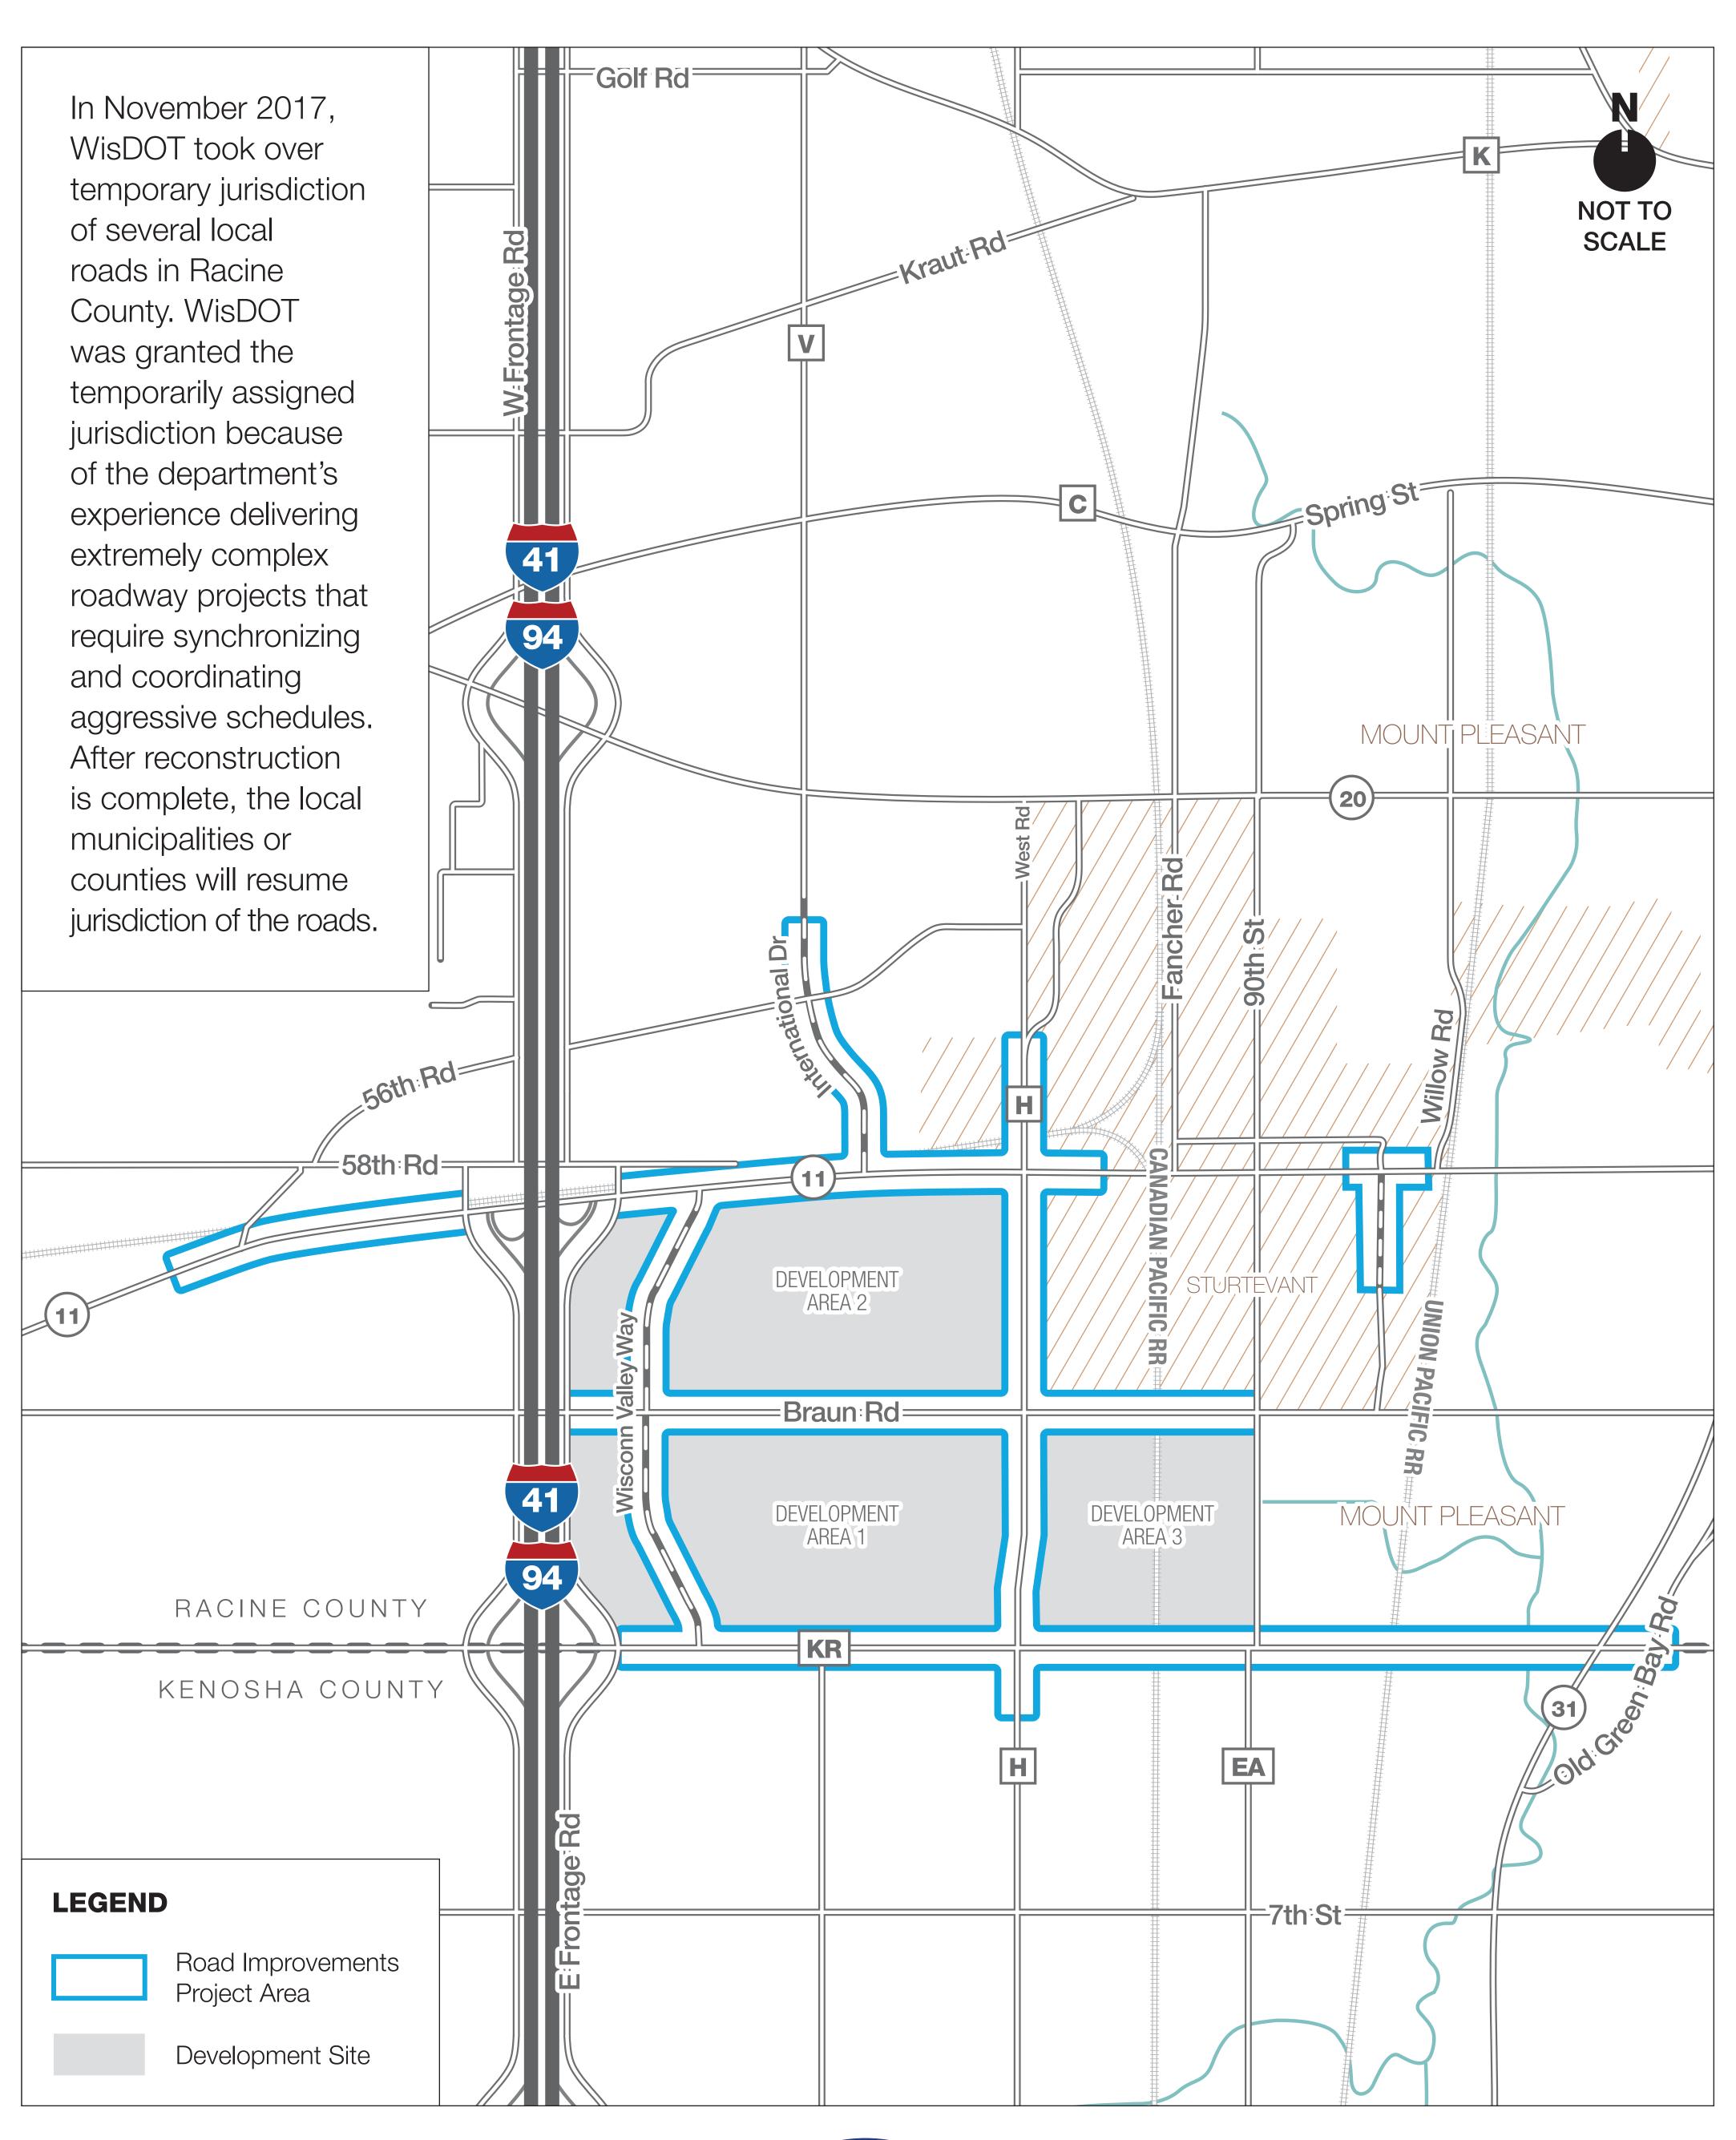

Begins: Summer 2019 | Ends: Late 2020

Reconstruct to a six lane concrete roadway between Wisconn Valley Way and County H. Reduced to one lane of traffic in each direction during construction.

Open to local traffic only east of International Drive in 2020.

PROJECT AREA OVERVIEW

APRIL 2019

SHARED-USE PATH OVERVIEW

APRIL 2019

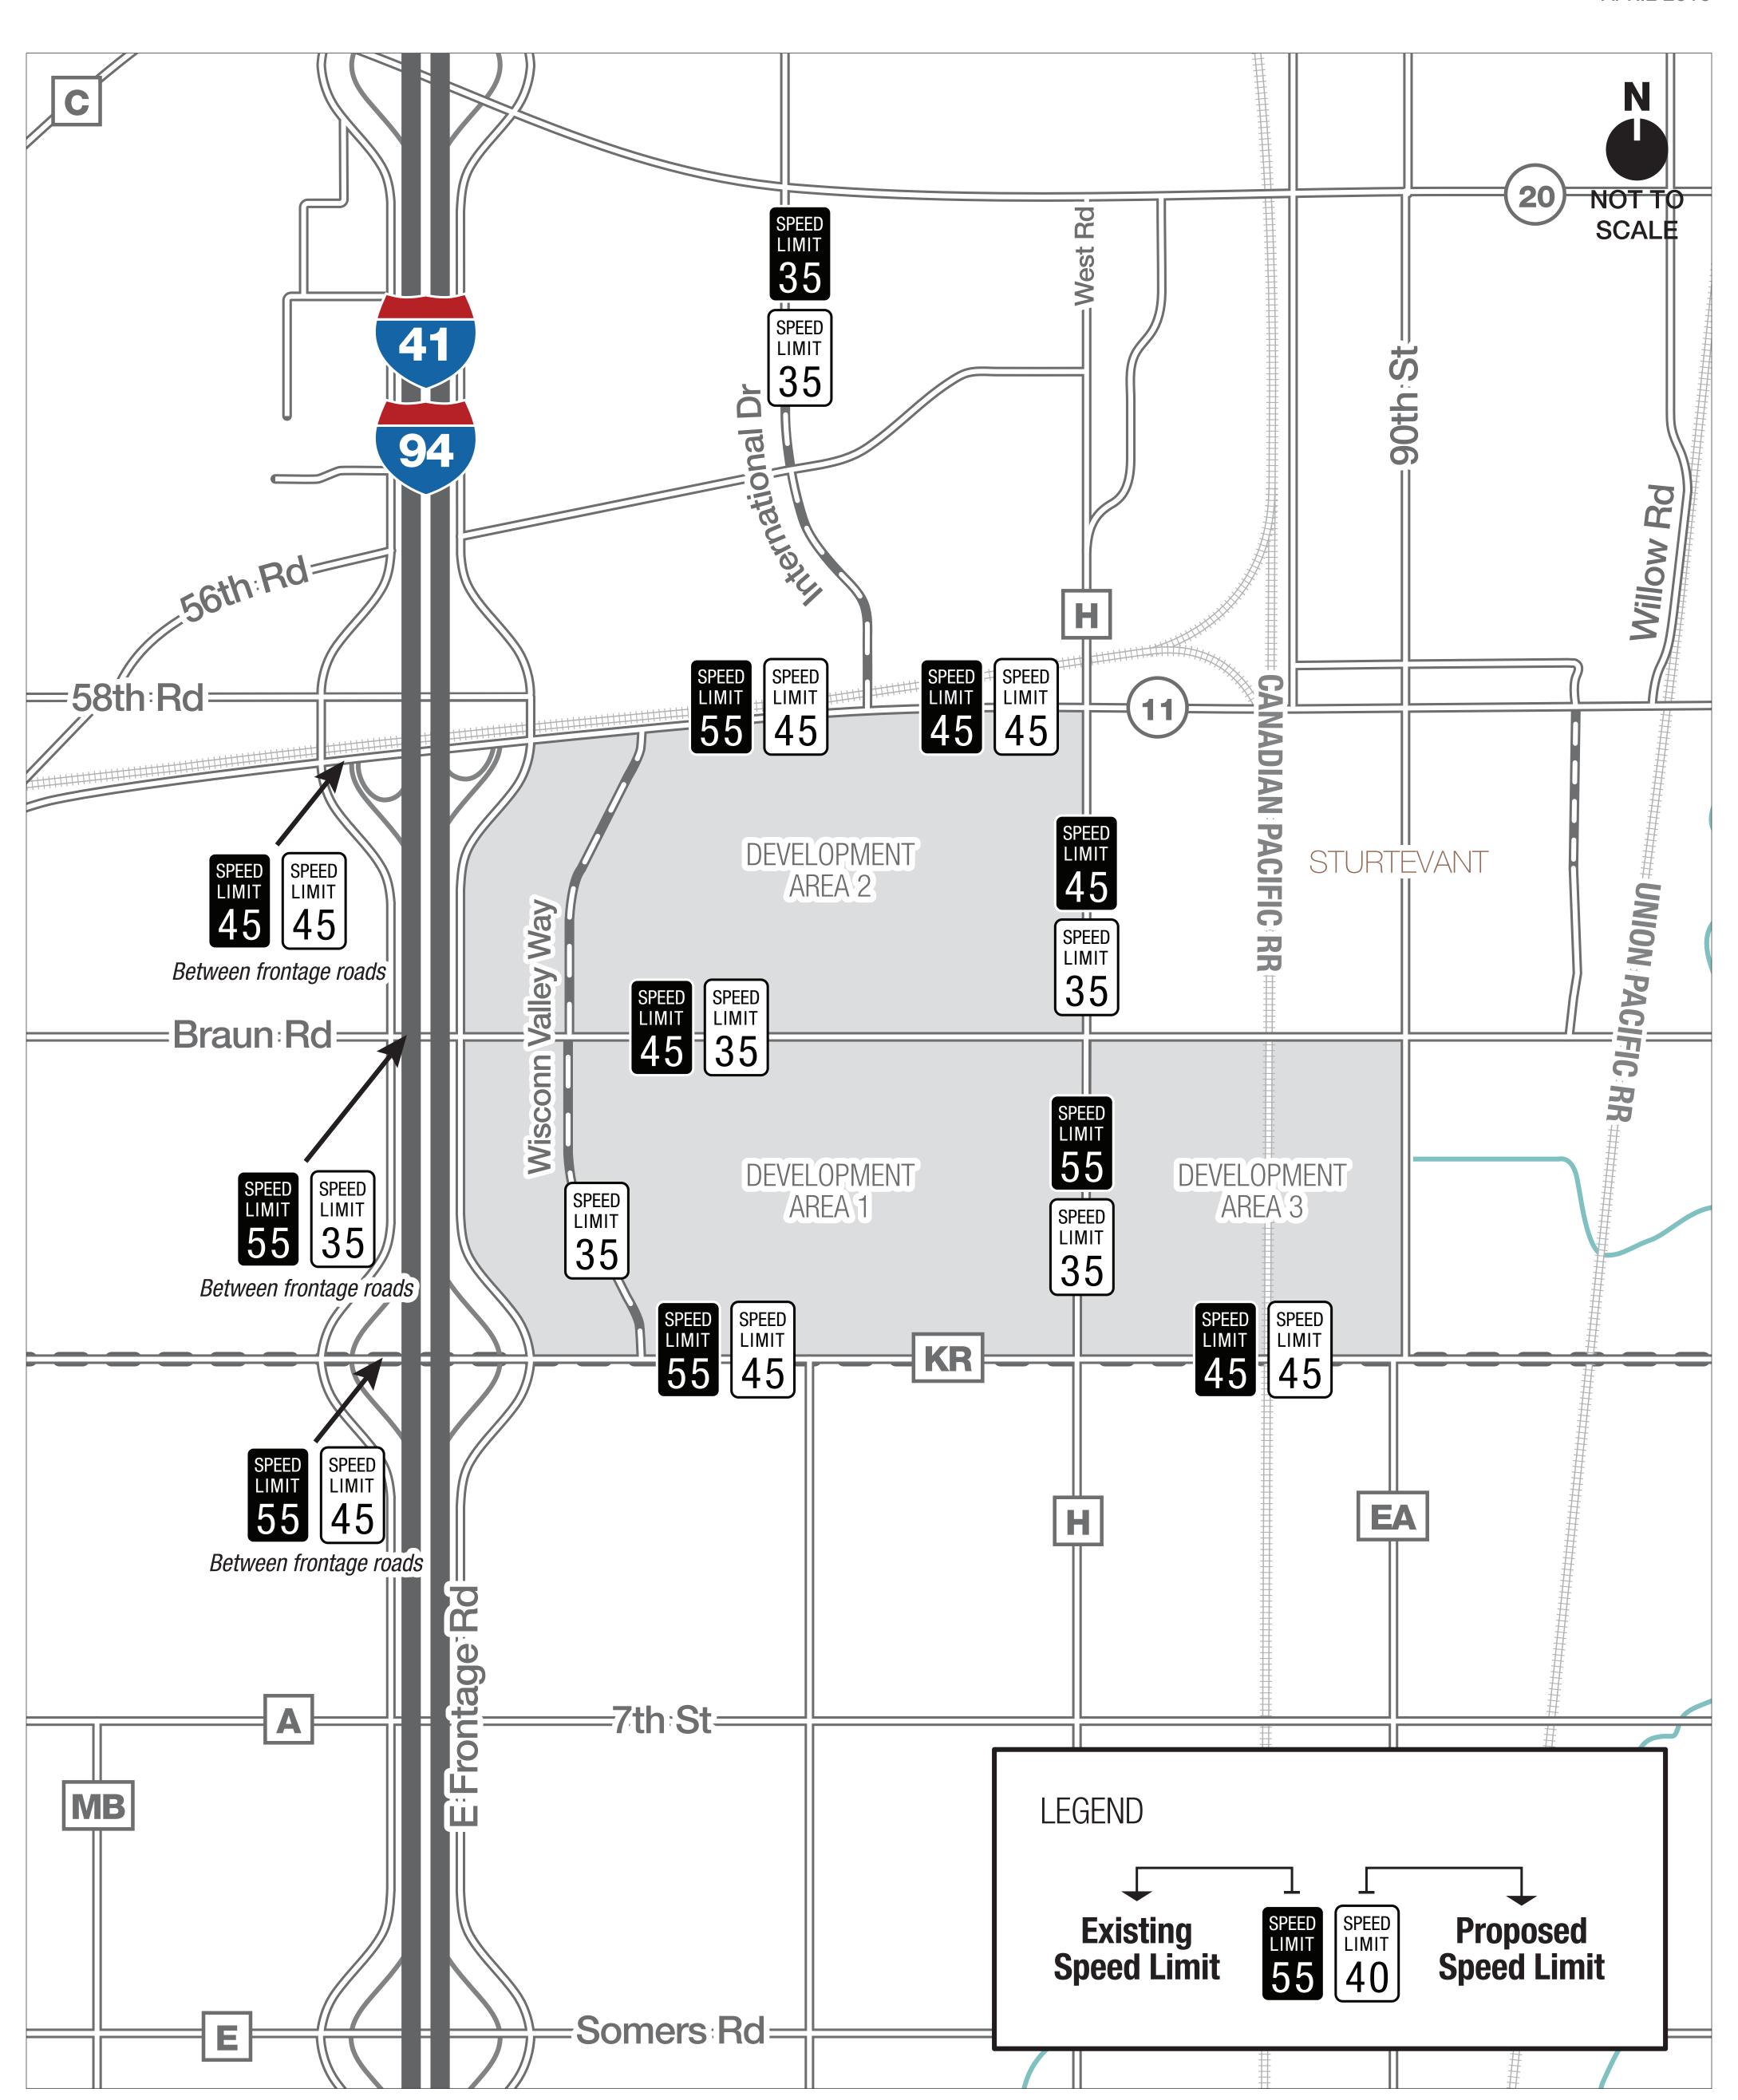

The project includes a 10-foot-wide, paved asphalt path for bicyclists and pedestrians.

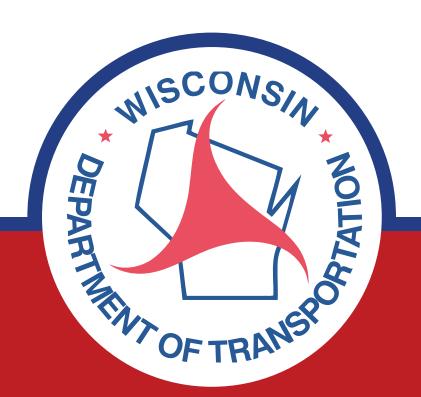

SPEED LIMITS OVERVIEW

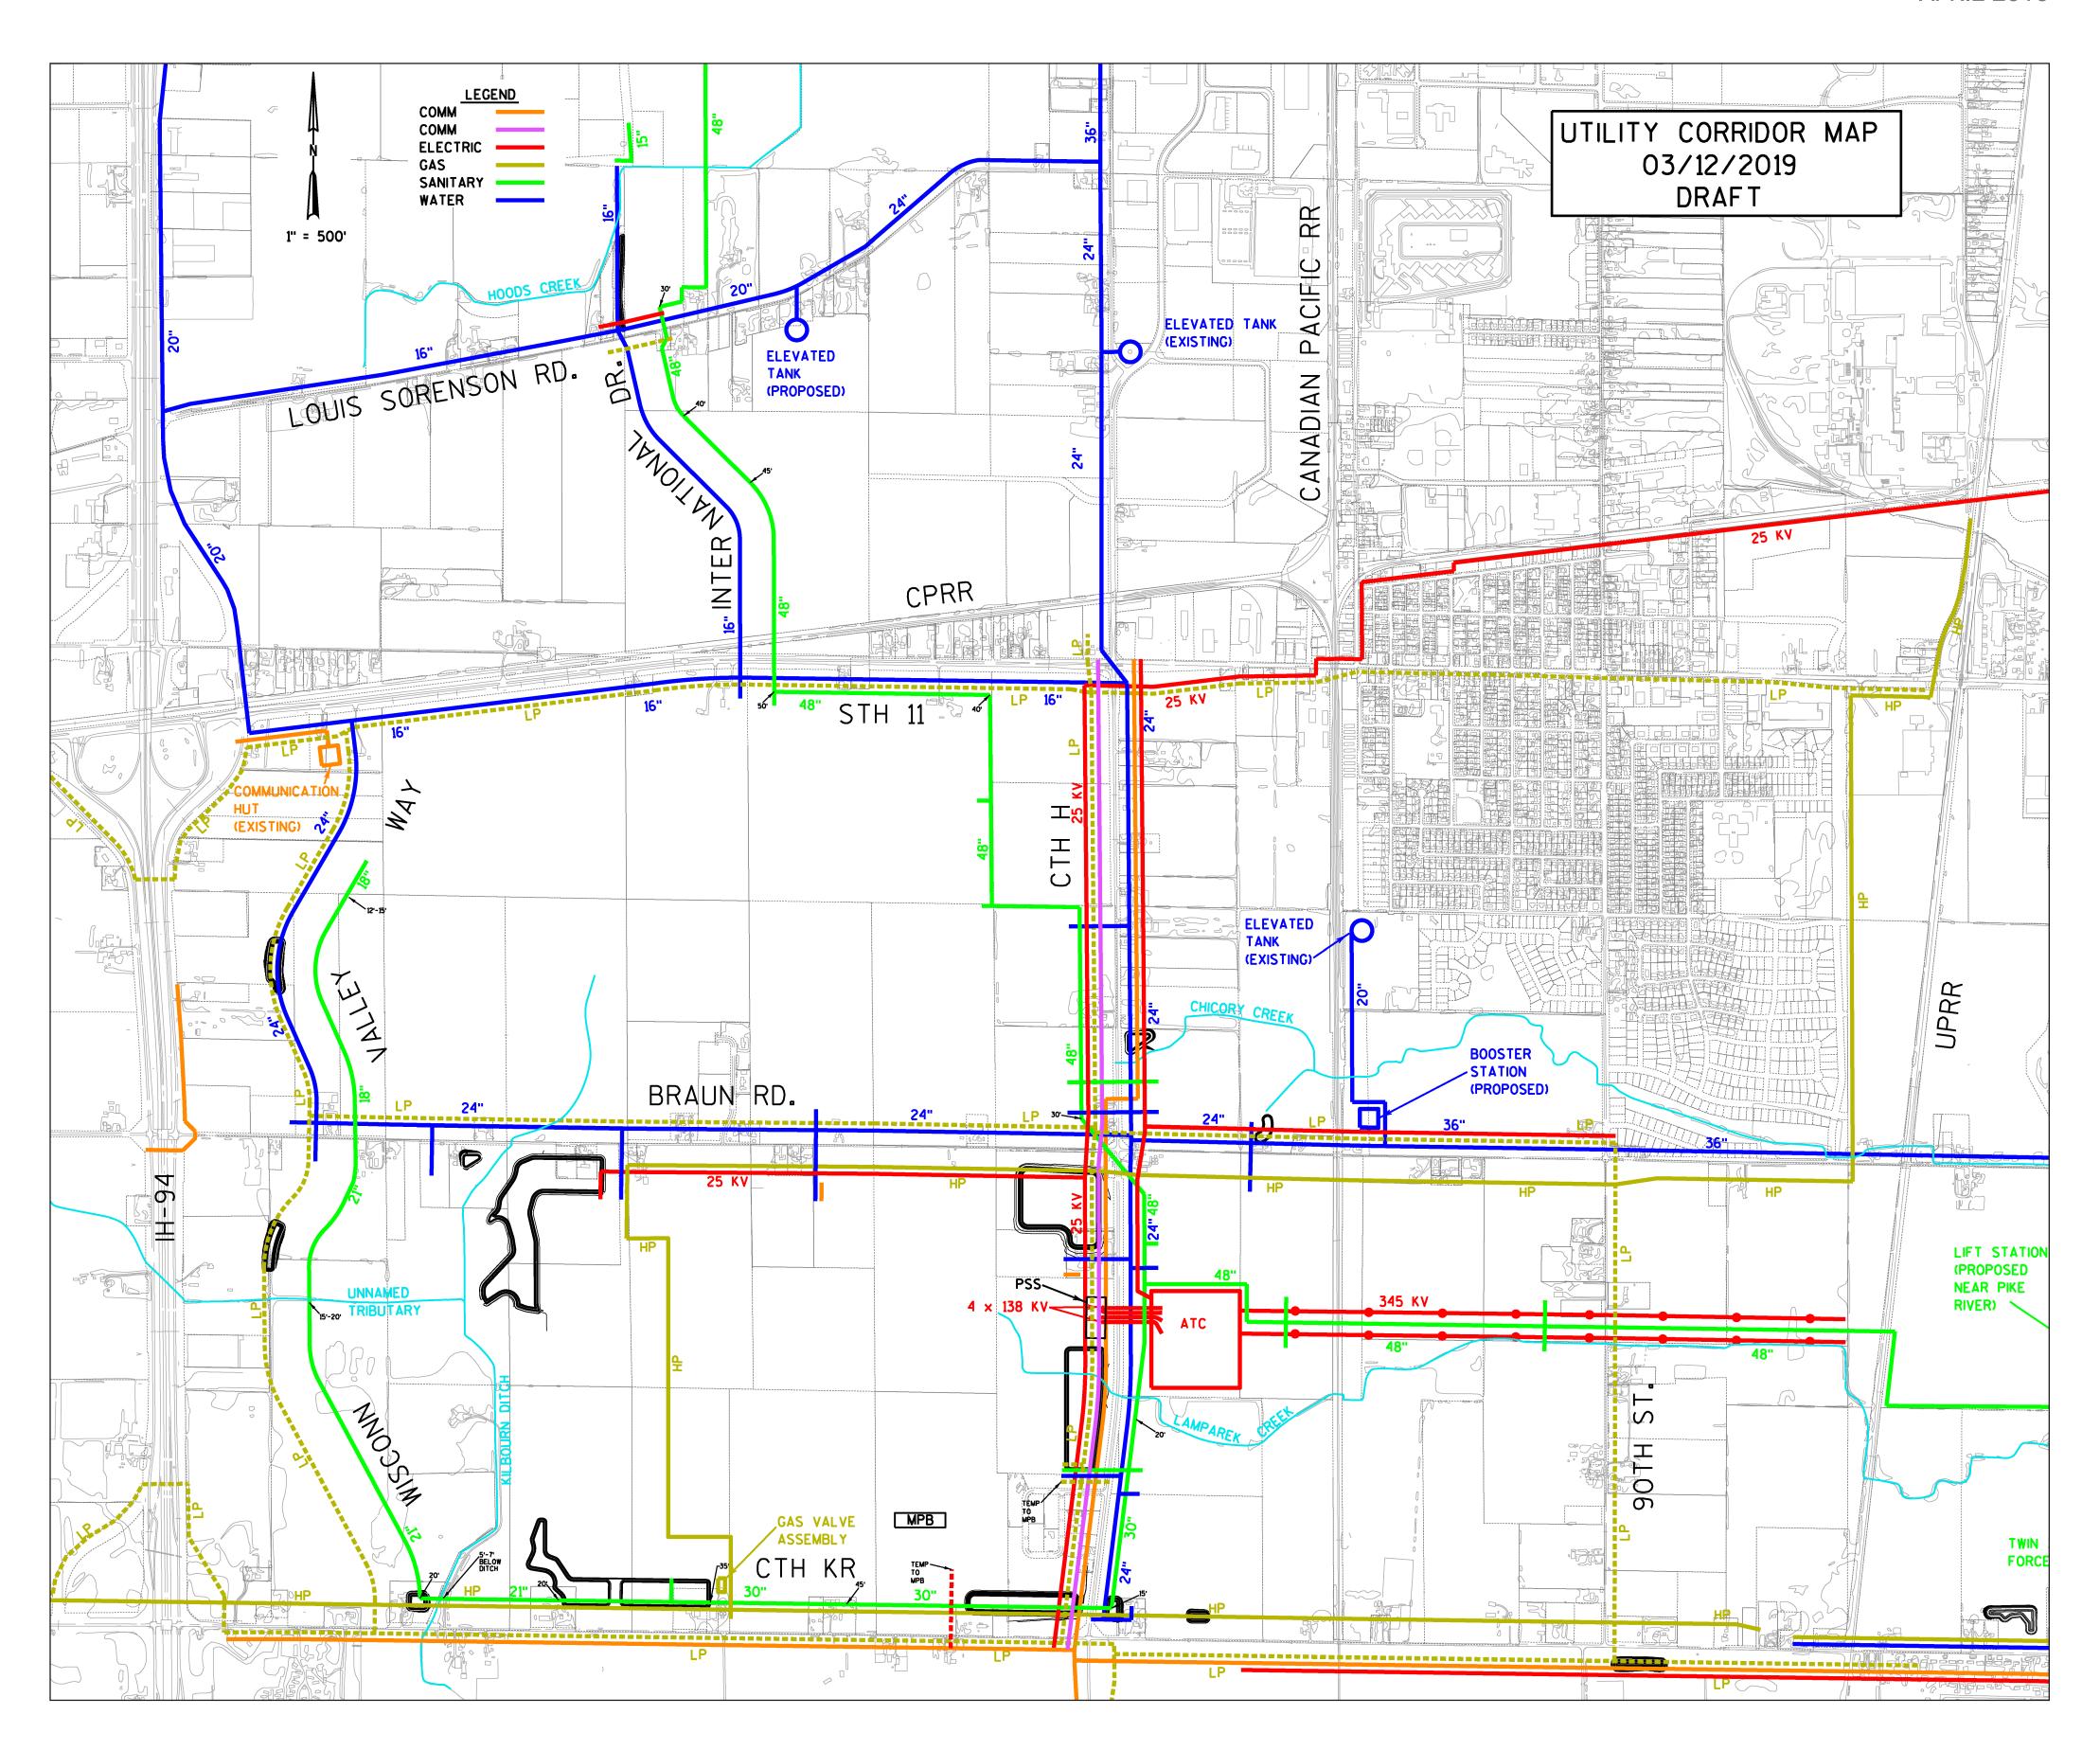

APRIL 2019

UTILITIES OVERVIEW

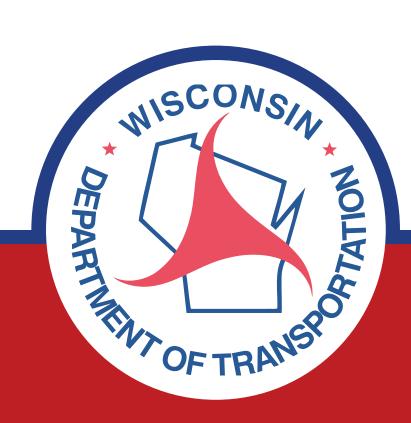

APRIL 2019

LEGEND Communications Sanitary Electric Water NOTE: Utility

NOTE: Utility locations shown hereon are conceptual and are subject to change

DEVELOPMENT ROADS LET PACKAGES

APRIL 2019

About this Map

- Road improvements to accommodate development.
- Estimated contract packages and years of construction.
- Roadway staging is preliminary and subject to change.

JT = Jurisdictional transfer

Roadway jurisdiction temporarily transferred to WisDOT until reconstruction is complete.
