

PROJECT OVERVIEW

Development Roads Project Information

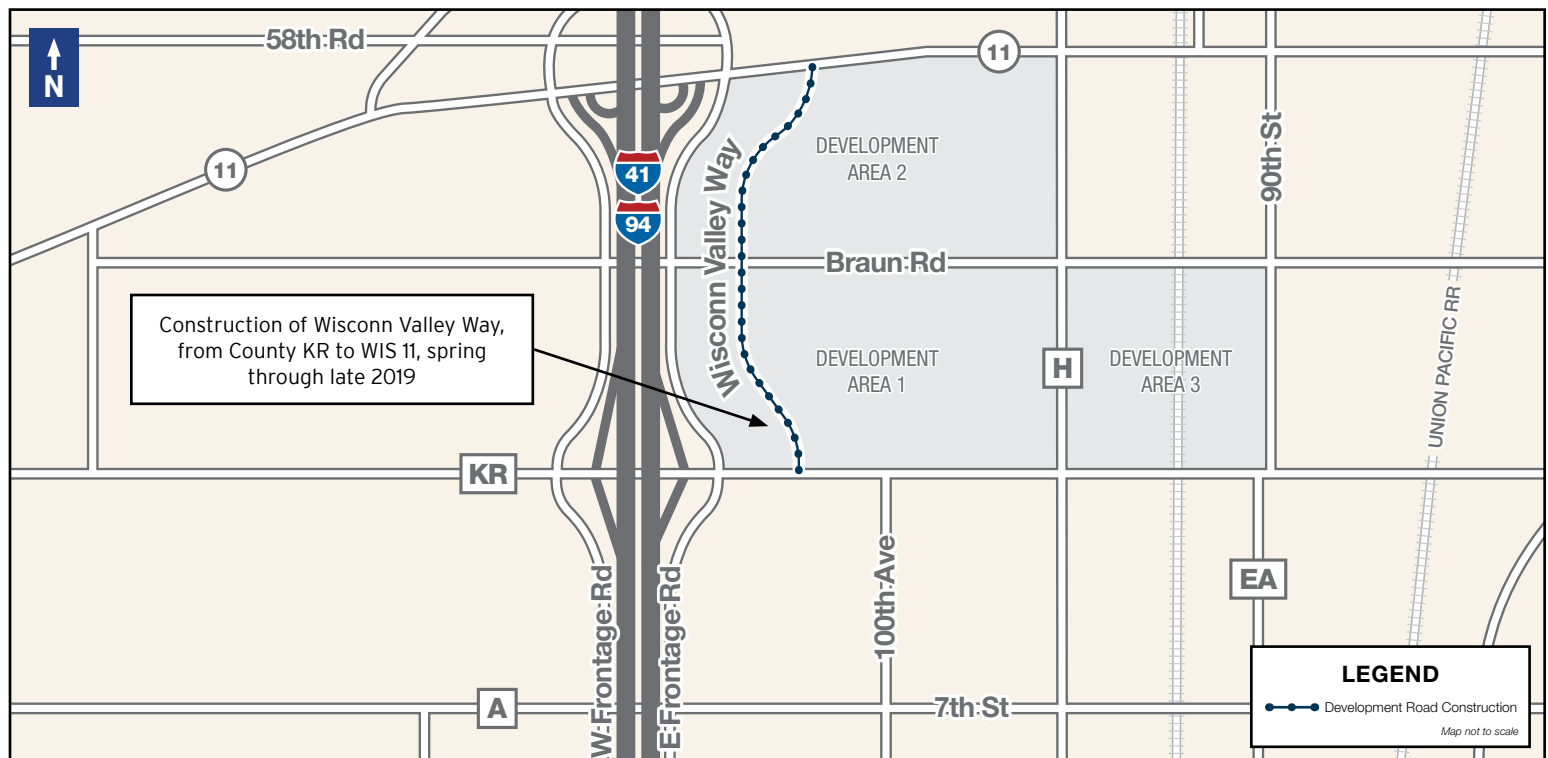

CONSTRUCTION OF WISCONN VALLEY WAY (COUNTY KR TO WIS 11)

The Wisconsin Department of Transportation (WisDOT) is currently reconstructing 16.5 miles of multi-lane roadways in and around the Wisconn Valley Development. As part of this construction, Wisconn Valley Way, a new 4-lane concrete roadway between County KR and WIS 11, is being constructed. Highlights of the construction schedule are provided below.

WISCONN VALLEY WAY

- Work began in spring 2019, with new roadway open to traffic late 2019.
- The following work is scheduled to take place in 2019:
 - > Construct new roadway between County KR and WIS 11.
 - > Construct new signalized intersection at Braun Road/Wisconn Valley Way.
 - > Construct four storm water ponds.
- The following work is scheduled to take place in 2020:
 - > Project restoration.

All work is weather dependent and subject to change.

The project team thanks you for your patience and cooperation throughout this project!
