

PROJECT UPDATE

I-794 Lake Freeway/Hoan Bridge Project Information

I-794 WEST (NORTHBOUND) TRAFFIC SWITCH TO OCCUR ON THE EVENING OF NOVEMBER 24

On the evening of November 24, a traffic switch will occur on the northbound lanes of I-794 West. On the morning of November 25, the Carferry Drive entrance ramp to I-794 West (northbound) will be reopened and traffic will shift to the new northbound lanes. Traffic will return to the appropriate roadways, however the Moveable Concrete Barrier will remain in place on the southbound lanes through the week of November 30 as crews work to remove/disassemble the barrier wall. By mid December, both directions of I-794 will fully reopen to 3 lanes of traffic. Please drive carefully as motorists adjust to the new traffic configuration.

WHAT TO EXPECT DURING CONSTRUCTION

Be assured that we will continue to work hard to minimize the impact of these events, but, if you have a concern, please do not hesitate to contact us. The project team appreciates your patience during this period of construction in your neighborhood.

All work is weather dependent and subject to change.
