

PROJECT UPDATE

I-794 Lake Freeway/Hoan Bridge Project Information

FULL CLOSURE OF NORTHBOUND VAN BUREN STREET AT CLYBOURN STREET BEGINS SEPTEMBER 1

In preparation for the upcoming stage change on the I-794 Lake Freeway, crews continue work at the intersection of Van Buren Street and Clybourn Street. Beginning at 6am on Tuesday, September 1, motorists will not be permitted to travel northbound on Van Buren Street through Clybourn Street; however, access to the US Bank Parking Structure, and eastbound and westbound Clybourn Street, will remain open. Motorists intending to travel northbound on Van Buren Street at Clybourn Street should utilize Van Buren Street to St. Paul Avenue to Milwaukee Street to Michigan Street to get around the closure. Traffic will remain in this configuration for approximately two weeks.

WHAT TO EXPECT DURING CONSTRUCTION

Surrounding construction activities will create noise, dust and ground vibration. Be assured that we will continue to work hard to minimize the impact of these events, but, if you have a concern, please do not hesitate to contact us. The project team appreciates your patience during this period of construction in your neighborhood.

**All closures are weather dependent and subject to change.*
