

PROJECT UPDATE

I-794 Lake Freeway/Hoan Bridge Project Information

MAJOR RAMP CHANGES OCCURRING ON I-794

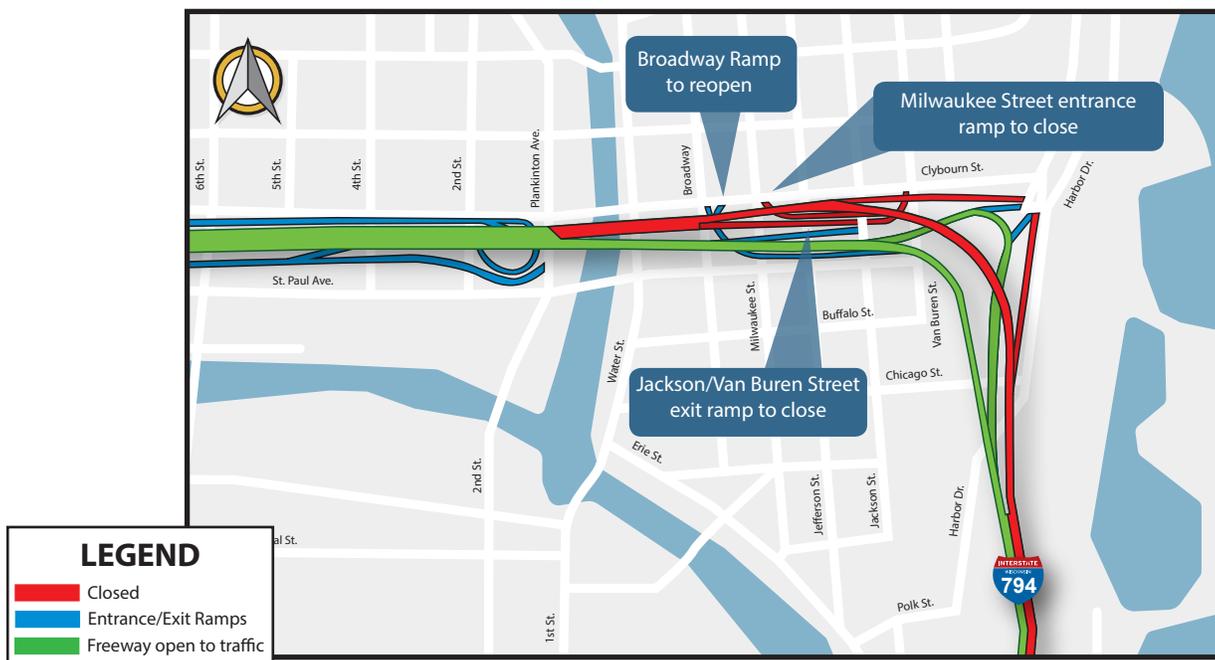

As the second stage of construction on the I-794 Lake Freeway / Hoan Bridge Project begins, major ramp closures will occur. Beginning on the evening of December 12, the Jackson/Van Buren Street exit ramp from I-794 East will be closing long term. As a result, motorists will need to utilize one of the following exit routes in lieu of the Jackson/Van Buren Street exit:

- I-94 East to I-794 East to James Lovell Street/St. Paul Avenue exit
- I-43 North to I-794 East to Plankinton Avenue exit
- I-43 South to I-794 East to Plankinton Avenue exit

Additionally, the temporary Milwaukee Street entrance ramp to I-794 East (southbound) that was used for the past year will close permanently on the evening of December 12. Motorists should use the newly reopened Broadway ramp to travel east (southbound) on I-794. The new entrance ramp is located one block west of Milwaukee Street, at the intersection of Clybourn Street and Broadway.

WHAT TO EXPECT DURING CONSTRUCTION

Be assured that we always work hard to minimize the impact of these events, but, if you have a concern, please do not hesitate to contact us. **All work is weather dependent and subject to change.** The project team appreciates your patience during this period of construction in your neighborhood.
