

# PROJECT UPDATE

I-794 Lake Freeway/Hoan Bridge Project Information

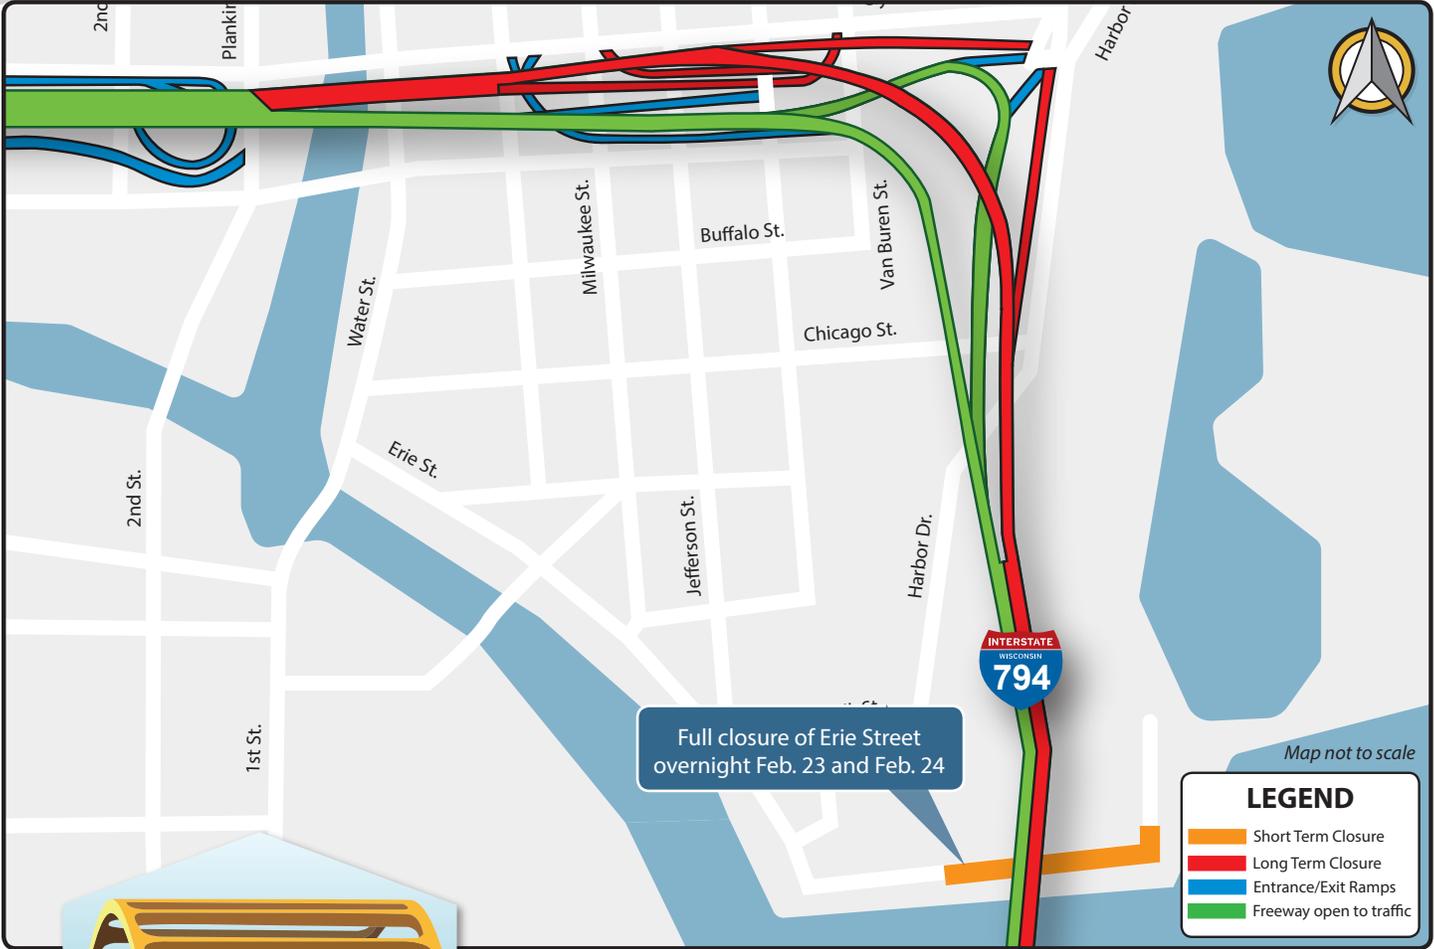

## ERIE STREET TO CLOSE FOR DEMOLITION: FEBRUARY 23 & 24

As part of the I-794 Lake Freeway / Hoan Bridge project, the Wisconsin Department of Transportation continues work on the Hoan Bridge. Beginning February 23, crews will commence demolition operations near Erie Street, requiring the street to close fully overnight. The road will remain open during daytime hours, but motorists should expect construction flaggers to direct traffic through the work zone. Work in this area involves demolition and clean up of the existing bridge deck. Due to the demolition, the Erie Street access to Lakeshore State Park, east of the Sail Loft Restaurant, will be fully closed on Monday, February 23 and Tuesday, February 24 from 9pm-5am.

### WHAT TO EXPECT DURING CONSTRUCTION

These construction activities will create noise and/or dust, and some work will be conducted at night during the course of the project. Be assured that we will continue to work hard to minimize the impact of these events, but, if you have a concern, please do not hesitate to contact us. The project team appreciates your patience during this period of construction in your neighborhood.

**\*All closures are weather dependent and subject to change.**
