I-794 Lake Freeway/Hoan Bridge Project Information

HARBOR DRIVE CLOSURE: JANUARY 12 - JANUARY 23

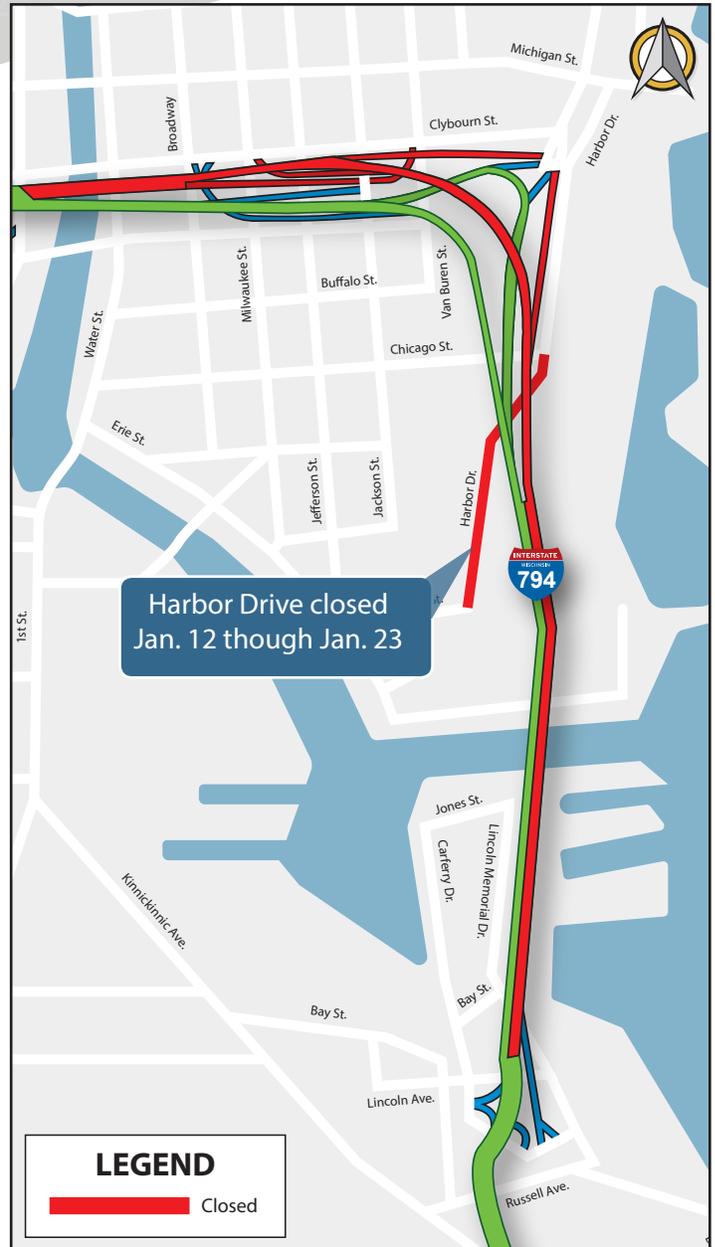

Beginning at 7am on **January 12**, Harbor Drive will be closed from Chicago Street to Polk Street to allow crews to perform demolition operations in the area. During this time, crews will be removing the existing bridge deck to prepare it for a new surface in future months. Harbor Drive will remain closed until **January 23**. Motorists should use Chicago Street and Jefferson Street to get around the closure.

WHAT TO EXPECT DURING CONSTRUCTION

These construction activities will create noise and/or dust, and some work will be conducted at night during the course of the project. Be assured that we always work hard to minimize the impact of these events, but, if you have a concern, please do not hesitate to contact us so that we can address the issue immediately.

The project team appreciates your patience during this period of construction in your neighborhood.

***All closures are weather dependent and subject to change due to inclement weather.**
