

## County K Crossroad (Racine County) Reconstruction

The Wisconsin Department of Transportation (WisDOT) is well underway with the reconstruction of County K Crossroad Project (Racine County), and is scheduled to be complete early summer.

*Please note that all closures are weather dependent and subject to change.*

### East Frontage Road scheduled to reopen to traffic:

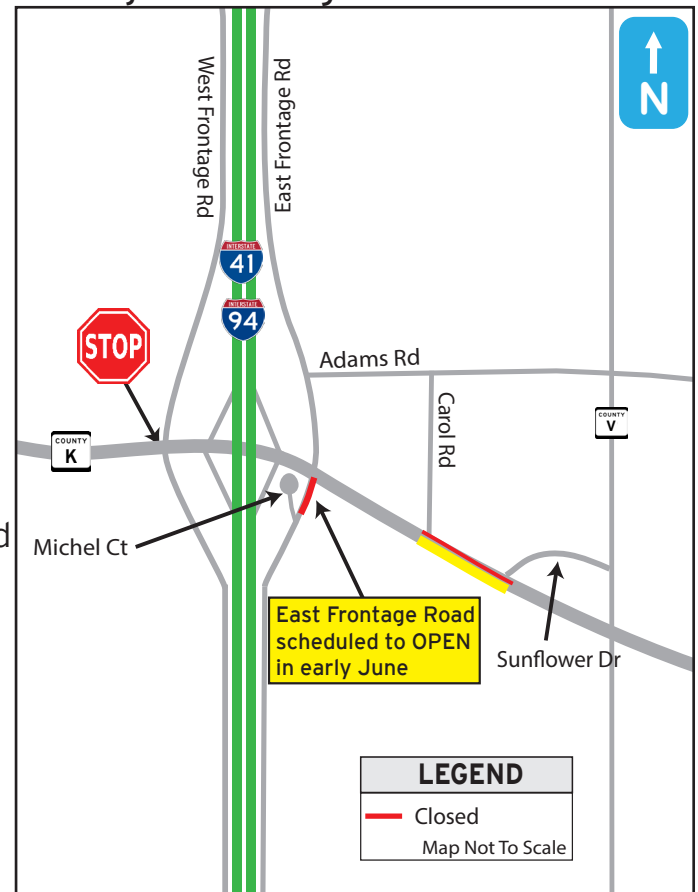

- East Frontage Road from County K south to Michel Court is scheduled to reopen early in the week of June 4.

### Upcoming traffic switch on County K:

- County K traffic from I-94 east to Carol Road will be shifted to their respective lanes east and west, maintaining one lane of traffic in each direction.
- County K traffic east of Carol Road to Sunflower Drive is scheduled to be shifted to the newly constructed eastbound lanes for approximately one month, while crews reconstruct the westbound lanes.
- Carol Road will maintain right-in/right-out access during the traffic switch (approx. one month).

### New traffic pattern at West Frontage Road and County K:

- West Frontage Road and County K intersection will have a temporary four-way stop added for approximately one month while crews continue reconstruction of County K west of I-94.

***The project team thanks you for your patience and cooperation throughout this project!***
