

SOUTHERN SEGMENT: I-94 from WIS 142 to WIS 20

DECEMBER 2017

Schedule Summary*

2018	Prep work on shoulders and median
2019	Reconstruct northbound I-94
2020	Reconstruct southbound I-94
Dec 2020	COMPLETE

*Schedule is subject to available funding/INFRA grant.

Project Scope Summary

- Rebuild all old bridges over local roads
- Expand freeway to eight lanes with safety and operational improvements
- 6.5 miles total of reconstruction
- Rebuild County E, County KR and WIS 11 interchanges
- \$175M-\$200M construction estimate

Construction Impacts

- Long-term lane and ramp closures
- Signed alternate routes will be available to minimize impacts
- Narrower lanes and shifting traffic
- Materials and equipment hauling
- Occasional overnight closures
