Public meeting for Verona Road (US 18/151) project - Stage 2

The Wisconsin Department of Transportation (WisDOT) will hold a public information meeting (PIM) to discuss the Verona Road (US 18/151) project in Dane County.

As a property owner near the project you are invited to attend the PIM that will be held on Tuesday, November 13, 2012 from 6 to 8 P.M. at the Cherokee Middle School Gym, 4301 Cherokee Drive, Madison.

The PIM will focus on the Stage 2 portion of the Verona Road (US 18/151) project that extends between Raymond Road and County PD, and County PD between approximately Hard Rock Road and Commerce Park Drive (see exhibit on opposite page). A brief formal 20 minute presentation will begin at 6:30 P.M. and will address the following features of Stage 2:

- Alternatives considered for the Williamsburg Way/ Verona Road intersection
- Alternatives considered for the grade separation of the Cannonball/Military Ridge Path and County PD
- The Verona Road/County PD interchange
- Project Schedule

Exhibits from Stage 1 and Stage 2 will be on display. Stage 1 limits are between Raymond Road and the Beltline, and the Beltline between Gammon Road and Seminole Highway.

During construction, traffic is anticipated to divert to several local streets to avoid delays. WisDOT will be upgrading some local intersections to accommodate potential traffic increases at the intersections. The locations of the proposed intersection improvements will be on display.

WisDOT representatives will be available to discuss the project on an individual basis.

Public Information Meeting:
 The public is encouraged to attend the meeting, provide input, and ask questions regarding this project. Maps showing the proposed improvements will be on display. WisDOT representatives will be available to discuss the project on an individual basis.
