

Project Information

The Wisconsin Department of Transportation is making improvements to 7.4 miles of I-94 between the Red Cedar River and US 12 in Dunn County.

The project will resurface the existing travel lanes with a new, smooth asphalt layer.

Traffic Impact

To make beneficial changes, lane closures will be used during overnight hours. The speed limit will be reduced to 55 MPH. Drivers should allow extra time for traveling.

Project Schedule

July 7, 2015 – Begin construction

October 30, 2015 - Project completion
