

West Waukesha Bypass

Project BRIEF

West Waukesha Bypass Project Update

As part of the West Waukesha Bypass reconstruction Project, the upcoming project work is scheduled for the next phase of this project.

Please note that all work is weather dependent and subject to change.

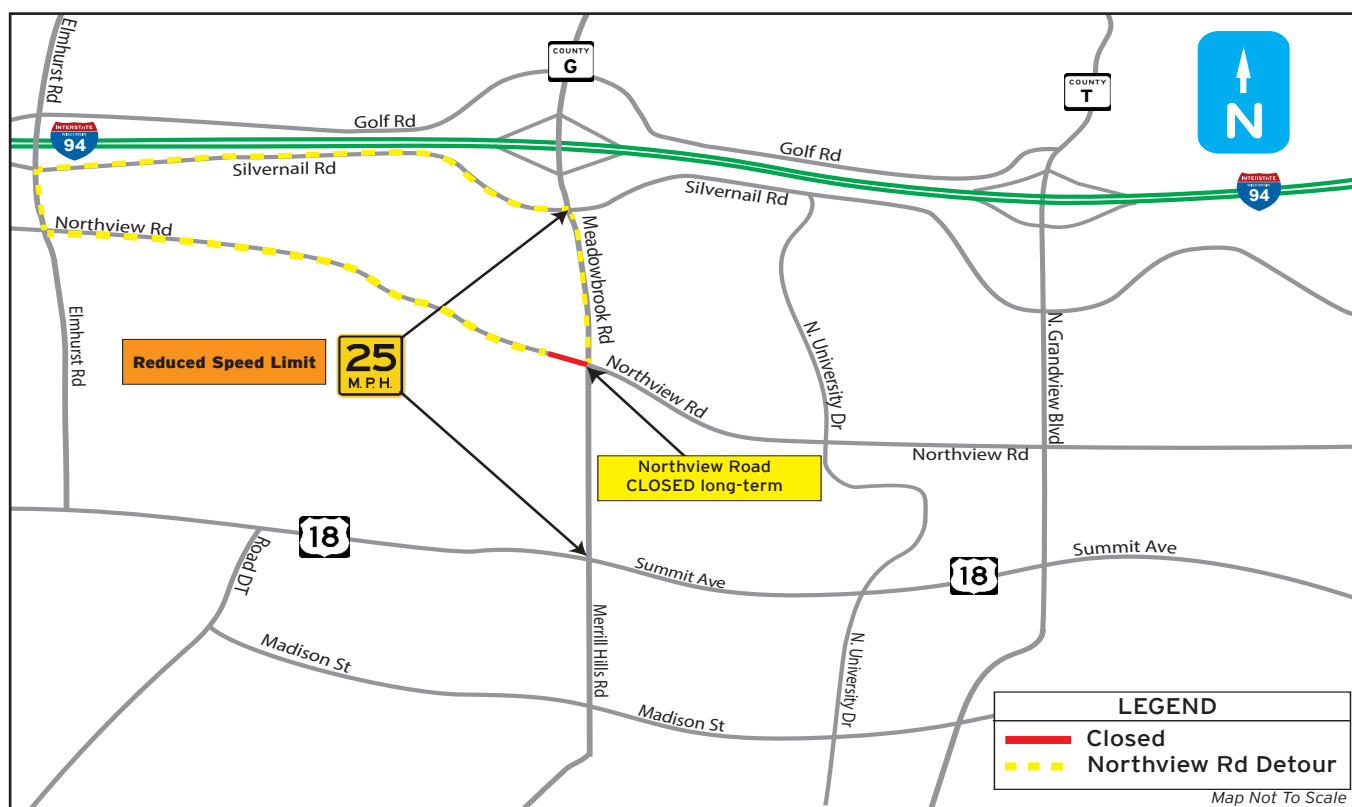

Northview Road (west) Long-term Closure:

- Northview Road (west of Meadowbrook Road) is closed long-term to traffic through late summer to reconstruct the roadway.

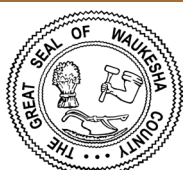

Detour Route: Motorists are encouraged to use Meadowbrook Road north to Silvernail Road, Silvernail Road west to Elmhurst Road, and Elmhurst Road south to Northview Road to get around the closure.

Speed Limit Reduction:

- The speed limit on Meadowbrook Drive just north of Summit Avenue and just south of Silvernail Road (within the construction zone) has been reduced to 25 mph.

The project team thanks you for your patience and understanding throughout this project.
