

West Waukesha Bypass

Project BRIEF

West Waukesha Bypass Project Update

As part of the West Waukesha Bypass reconstruction Project, the upcoming project work is scheduled for the next phase of this project.

Please note that all work is weather dependent and subject to change.

Meadowbrook Road Traffic Switch Scheduled Wednesday Evening, September 13, 2017:

- Meadowbrook Road traffic (northbound and southbound) between Summit Avenue and Northview Road is scheduled to be shifted to the newly constructed southbound lanes until late fall while crews reconstruct the northbound lanes. One lane of traffic will be maintained in each direction.

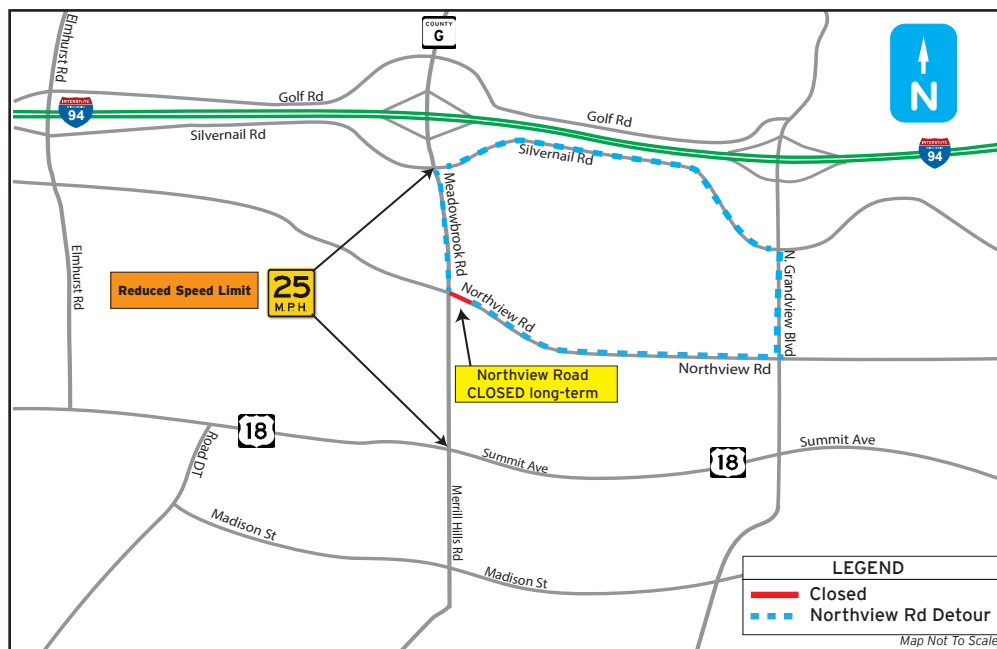

Northview Road (west) Scheduled to Reopen:

- Northview Road (west of Meadowbrook Road) is scheduled to reopen early Thursday morning, September 14, upon completion of the Meadowbrook Road traffic switch.

Northview Road (east) Long-term Closure:

- Northview Road (east of Meadowbrook Road) is scheduled to close Wednesday evening, September 13, long-term to traffic through late fall to reconstruct the roadway.

Detour Route: Motorists are encouraged to use Meadowbrook Road north to Silvernail Road, Silvernail Road east to Grandview Boulevard, and Grandview Boulevard south to Northview Road to get around the closure. (See map for details)

The project team thanks you for your patience and understanding throughout this project.
