

West Waukesha Bypass

Project BRIEF

West Waukesha Bypass Project Update

As part of the West Waukesha Bypass reconstruction Project, the upcoming project work is scheduled for the next phase of this project.

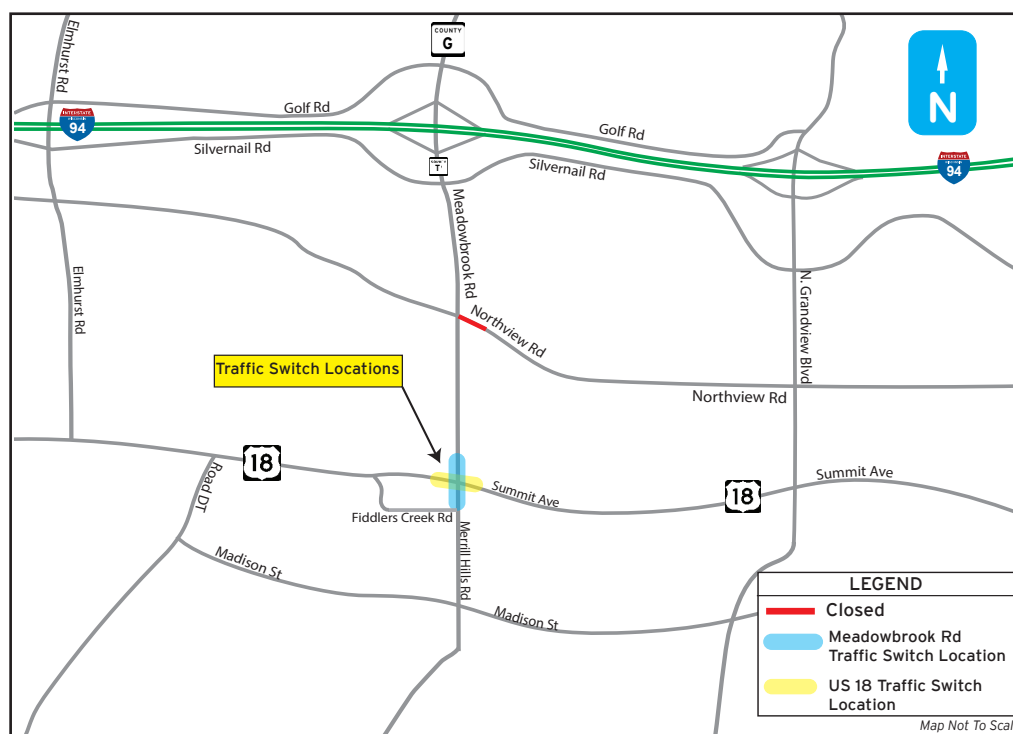

Please note that all work is weather dependent and subject to change.

Meadowbrook Road (County TT) traffic switch scheduled Thursday night, September 28, 2017:

- Meadowbrook Road northbound traffic just north of Fiddlers Creek Drive to just north of Summit Avenue is scheduled to be shifted to the southbound lanes until late fall while crews reconstruct the northbound lanes. One lane of traffic will be maintained in each direction. The traffic switch is scheduled to take place during the nighttime hours Thursday evening.

Summit Avenue (US 18) traffic switch scheduled Friday night, September 29, 2017:

- Summit Avenue eastbound traffic just east and west of Meadowbrook Road is scheduled to be shifted to the westbound lanes until late fall while crews reconstruct the eastbound lanes east of Meadowbrook. One lane of traffic will be maintained in each direction. The traffic switch is scheduled to take place during the nighttime hours Friday evening.

The project team thanks you for your patience and understanding throughout this project.
