

West Waukesha Bypass

Project **BRIEF**

West Waukesha Bypass Project Update

As part of the West Waukesha Bypass Reconstruction Project, the upcoming work is scheduled for the next phase of this project.

Please note that all work is weather dependent and subject to change.

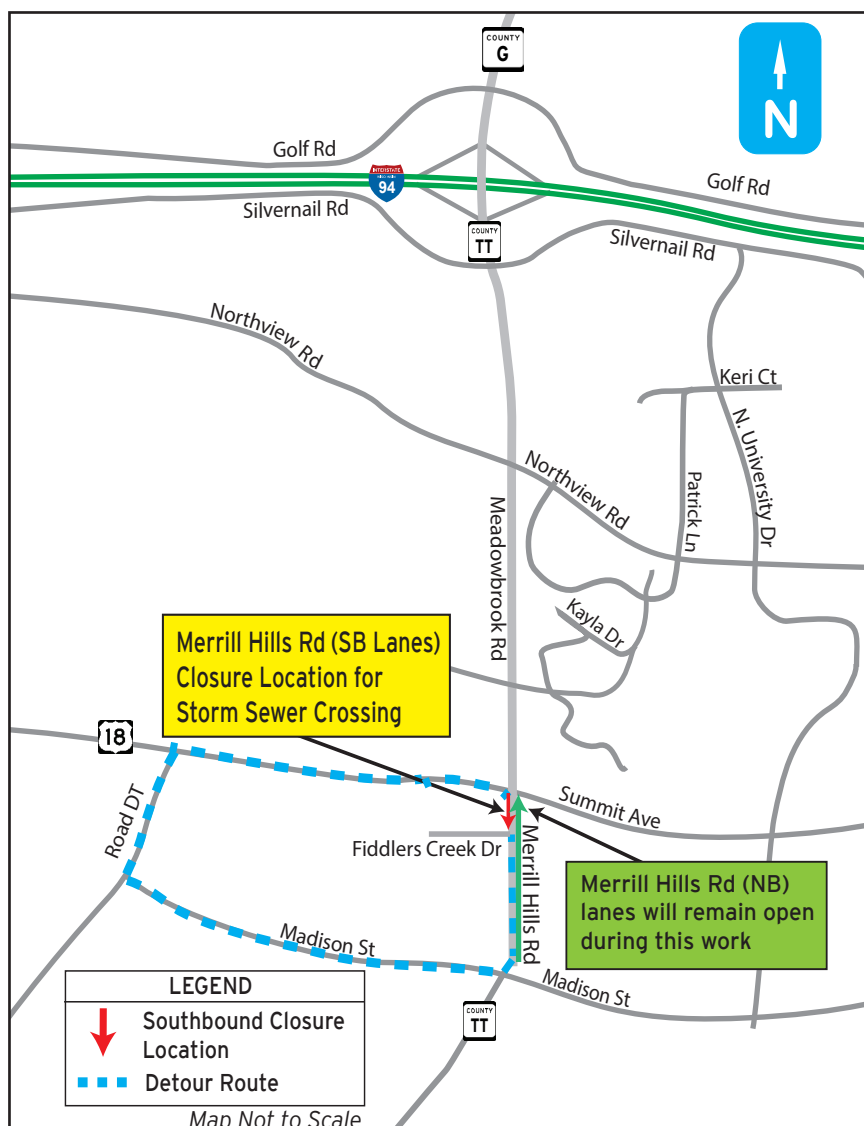

Short-term Closure on Merrill Hills Road (SB) for Storm Sewer Crossing:

- Merrill Hills Road (southbound lanes only) from Summit Avenue south to Fiddlers Creek Drive is scheduled to close to traffic for storm sewer crossing.

The work and closure has been rescheduled for **Monday and Tuesday, November 20-21, from 9 a.m. to 2:30 p.m.**

Detour Route: Motorists are encouraged to use Summit Avenue west to Road DT, south on Road DT to Madison Street, and east on Madison Street to Merrill Hills Road to get around the closure. (See map for details.)

We ask that travelers utilize the posted detour route and not detour through local subdivisions or on private roads to get around the closure.

The project team thanks you for your patience and cooperation throughout this project!
