

West Waukesha Bypass

PROJECT UPDATE

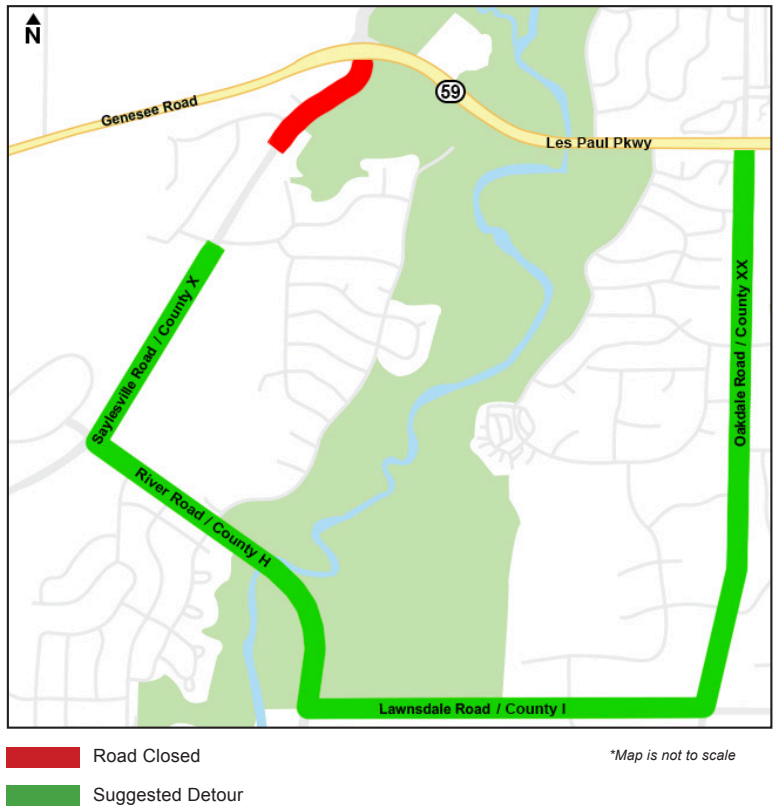

JULY 2019

As work continues on the West Waukesha Bypass Project, a new phase of work is slated to begin in early July.

Beginning Tuesday, July 9, Saylesville Road will be closed from WIS 59 for 1/4 of a mile south to realign the roadway. Saylesville Rd. is expected to reopen in its new configuration in late summer.

While the closure of Saylesville Rd. is in place, the following detour routes are suggested: From Les Paul Pkwy: Les Paul Pkwy east to Oakdale Rd. South on Oakdale Rd. to Lawnsdale Rd. West on Lawnsdale Rd. to River Rd. North on River Rd. to Saylesville Rd. From Saylesville Rd. Saylesville Rd. south to River Rd. South on River Rd. to Lawnsdale Rd. East on Lawnsdale Rd. to Oakdale Rd. North on Oakdale Rd. to Les Paul Pkwy.

Periodic updates will be sent out as the project progresses. Completion of the West Waukesha Bypass is scheduled for late 2019.
