

WELCOME to the WIS 441 TRI-COUNTY and US 10 RESURFACING PROJECT

## Summer 2017 Oneida Street Business Meeting

Thursday, July 13, 2017 • 8–9 a.m.

*Brief presentation at 8:15 a.m.*

### Meeting purpose

The Wisconsin Department of Transportation (WisDOT) is hosting a business meeting for the WIS 441 Tri-County Project and the US 10 Resurfacing Project (*located south of the WIS 441 Project*). The purpose of the business meeting is to provide project updates on a variety of topics including the following:

- Upcoming 2017 construction along mainline WIS 441 and the Oneida Street/Midway Road intersection (WIS 441 Project) and upcoming construction activities as part of the US 10 Resurfacing Project (located south of the WIS 441 Project)
  - Construction schedules and coordinated closures (between the WIS 441 Project and the US 10 Resurfacing Project)
  - Construction impacts
  - Detour and alternate route information
- Temporary business signing opportunities

### Meeting format

During today's meeting, there will be a brief presentation followed by an open house where staff will be available to answer questions. There will be WIS 441 and US 10 Resurfacing project displays available for review. WisDOT will have design and construction experts available for your questions.

## Business resources

WisDOT's "In This Together" kit provides resources to help businesses stay connected with customers during construction.

Please see [projects.511wi.gov/wis441/business-resources](http://projects.511wi.gov/wis441/business-resources) for information and tools to help businesses during construction.

## Join the e-mail contact list

If you would like to receive project updates and notices of future meetings via e-mail, please provide your e-mail address on the sign-in sheet for today's meeting or submit your e-mail address to Melissa Kok at [Melissa2.Kok@dot.wi.gov](mailto:Melissa2.Kok@dot.wi.gov).

## Highway business signing

With WIS 441 construction underway, businesses should continue coordinating business signs with other area businesses.

To simplify the signing process for businesses, WisDOT's project construction leader will be the primary point of contact and will facilitate business signing coordination with municipalities.

Businesses can contact the WIS 441 project construction office for project construction leader contact information.
