WIS 441 Tri-County Project lane closures for April 6 – April 10

Traffic restrictions on WIS 441 and US 10

(Green Bay) The Wisconsin Department of Transportation (WisDOT) Northeast Region office in Green Bay is announcing WIS 441 Project lane restrictions for April 6 through April 10 in Winnebago, Outagamie and Calumet counties. Drivers should be aware of reduced speed limits and remember to use caution while traveling through any work zone. This does not include closures by local authorities for accidents or unusual incidents (such as weather).

WIS 441/US 10

Drivers can anticipate various single lane closures on westbound and eastbound US 10 and northbound and southbound WIS 441 throughout the week. In addition, the following ramps will be closed:

- Southbound US 41 to westbound US 10 exit ramp will be closed overnight on **Tuesday** from 6 p.m. to 6 a.m. Suggested alternate route:
 - Drivers can continue on southbound US 41 to County II, follow County II west to County CB and take County CB north to westbound US 10
- Northbound US 41 to eastbound US 10/northbound WIS 441 ramp will be closed on **Thursday** from 11 p.m. to 5 a.m. Suggested alternate route:
 - Drivers can exit at County II/Winchester Road, take County II west to County CB and follow County CB north to eastbound US 10.

US 41 Bridge Maintenance Project:

Drivers should anticipate various lane closures on southbound and northbound US 41 from Breezewood Lane/Bell Street in Winnebago County to WIS 15 in Outagamie County. Lane closures can vary along the corridor, so drivers are urged to stay alert, pay attention to road signs, slow down and use caution when entering any work zone. The following ramp will be closed:

- Southbound US 41 off-ramp to Main Street/Oakridge Road will have a **10-day closure** beginning on Wednesday, April 8.

Note: This project is separate from WIS 441 Tri-County Project, but will be included on the WIS 441 road closure list.

All lane restrictions and work operations are weather dependent and subject to change.
