

# PROJECT UPDATE

EARLY NOVEMBER-EARLY DECEMBER

Over the last few months, dual lane on ramps have been constructed for eastbound and westbound Watertown Plank Road to access I-41 North and South. On November 2, weather dependent, both ramps will fully open with the exception of daytime (9AM-3PM) single lane closure on Westbound Watertown Plank Road for approximately 2 weeks. When the dual ramps open, the overhead signs will not yet be installed. The overhead signs are scheduled to be installed in early December. Below are maps to guide you through using the reconfigured ramps during this period.

**TO THE SOUTH:** move to the far right lane to travel South (Milwaukee/Beloit/Madison) on I-41.

**TO THE NORTH:** Move to the center lane to travel North (Fond du Lac) on I-41.

**TO CONTINUE WEST:** Move to the center or left lane to continue west on Watertown Plank Road.

**TO THE NORTH:** move to the far right lane to travel North (Fond du Lac) on I-41.

**TO THE SOUTH:** Move to the center lane to travel South (Milwaukee/Beloit/Madison) on I-41.

**TO CONTINUE EAST:** Move to the center or left lane to continue east on Watertown Plank Road.
