

MOORLAND ROAD REHABILITATION PROJECT TO BEGIN

As part of the Zoo Interchange project, Moorland Road, between the entrance and exit ramps at I-94, will be rehabilitated. The work is scheduled to begin Monday, March 19 and will continue for approximately 6 weeks. Work will be completed during overnight hours only and will require nightly lane closures on Moorland Road as well as ramp closures to and from I-94.

In the event of ramp closures, I-94 East and West traffic should exit at Barker Road or WIS 100 and take Greenfield Avenue or Bluemound Road to access Moorland Road. Traffic wishing to travel east or west on I-94, from Moorland Road, should utilize Bluemound Road or Greenfield Avenue to enter the freeway at Barker Road or WIS 100.

WHAT TO EXPECT DURING CONSTRUCTION

Some construction activities are likely to create noise and/or dust during the course of the project. Be assured that we always work hard to minimize the impact of these events, but, if you have a concern, please do not hesitate to contact us. The project team appreciates your patience during this period of intense construction in your area.

****All work is weather dependent and subject to change***
