

Email update - Thursday, May 28, 2026

Hello everyone,

I am reaching out to provide an update on the planned closures and to outline what you can expect as work progresses.

****Project-Wide Detour:****

- ****STH 116** Detour will be removed late Friday night and open by Early Saturday Morning.**
- The STH 21 Detour will be in effect for the entire length of the project from Omro to Oshkosh.
- Local traffic access will be maintained everywhere except for the full closure areas listed below.

****Full Closures:****

- ****Westhaven Road:**** Fully closed intersection No STH 21 access will be available at Westhaven.
 - Westhaven to open to full traffic early Monday Morning – 6/1.
- ****Oakwood ** - With the opening of Westhaven Road Oakwood will close on Monday Morning. This closure will occur after the opening of Westhaven.**
- ****Sand Pit Road and STH 21 Intersection:**** This intersection is fully closed. Only property owners at the intersection will have access—no thru traffic.

****Open Routes and Lane Changes:****

- ****CTH FF and Leonard Point Road:**** These continues to be open to local traffic..
- ****Oshkosh End (Leonard Point to Washburn St.):**** Single lane closures will be in place. One lane in each direction will remain open to traffic.
- ****Omro Traffic:**** Traffic in both directions will be maintained but shifted to the south to allow work on the north end.
- ****Fox River Bridge:**** **With the construction finishing up on the west end of the project. This section will be open late Friday night. This will again allow 2-way traffic over the Fox River in Omro.**
