

PLANNED IMPROVED PEDESTRIAN AND BICYCLE ACCOMMODATIONS

Pedestrian and Bicycle Accommodations

Enhanced pedestrian and bicycle safety is planned throughout the project, including curb extensions, increased signage, dedicated striped bicycle lanes, and the use of Rectangular Rapid Flash Beacon (RRFB) signs.

- The map is an illustration of the planned enhancements for WIS 32 at Jarvis Street, including improved signage and curb extensions.
- Similar curb extensions are planned at Edgewood Avenue, Menlo Boulevard, Olive Street and Kensington Boulevard.
- RRFB signs will be installed at the curb extensions on Menlo Boulevard and Jarvis Street.
