Development Roads Project information

RECONSTRUCTION OF BRAUN ROAD TO BEGIN

The Wisconsin Department of Transportation (WisDOT) will be reconstructing 16.5 miles of multi-lane roadways in and around the Wisconsin Valley Development. The construction will include signalized intersections, lighting, landscaping, and multi-use paths. As part of this construction, Braun Road, between East Frontage Road and County H, will be reconstructed to a 6-lane concrete roadway. Highlights of the proposed construction schedule are provided below.

BRAUN ROAD

- Scheduled to close to public traffic the week of July 30 and reopen late fall 2019.
- The following work is scheduled to be completed in 2018:
 - > Construct a new box culvert at the Kilbourn Road ditch
 - > Begin construction of the new eastbound roadway
- The following work is schedule to be completed in 2019:
 - > Complete the new eastbound and westbound lanes of Braun Road

All work is weather dependent and subject to change.

The project team thanks you for your patience and cooperation throughout this project!
