

PROJECT BRIEF

JANUARY 17, 2020

Development Roads Project Information

WISCONN VALLEY WAY, BETWEEN WIS 11 AND COUNTY KR, OPEN TO TRAFFIC

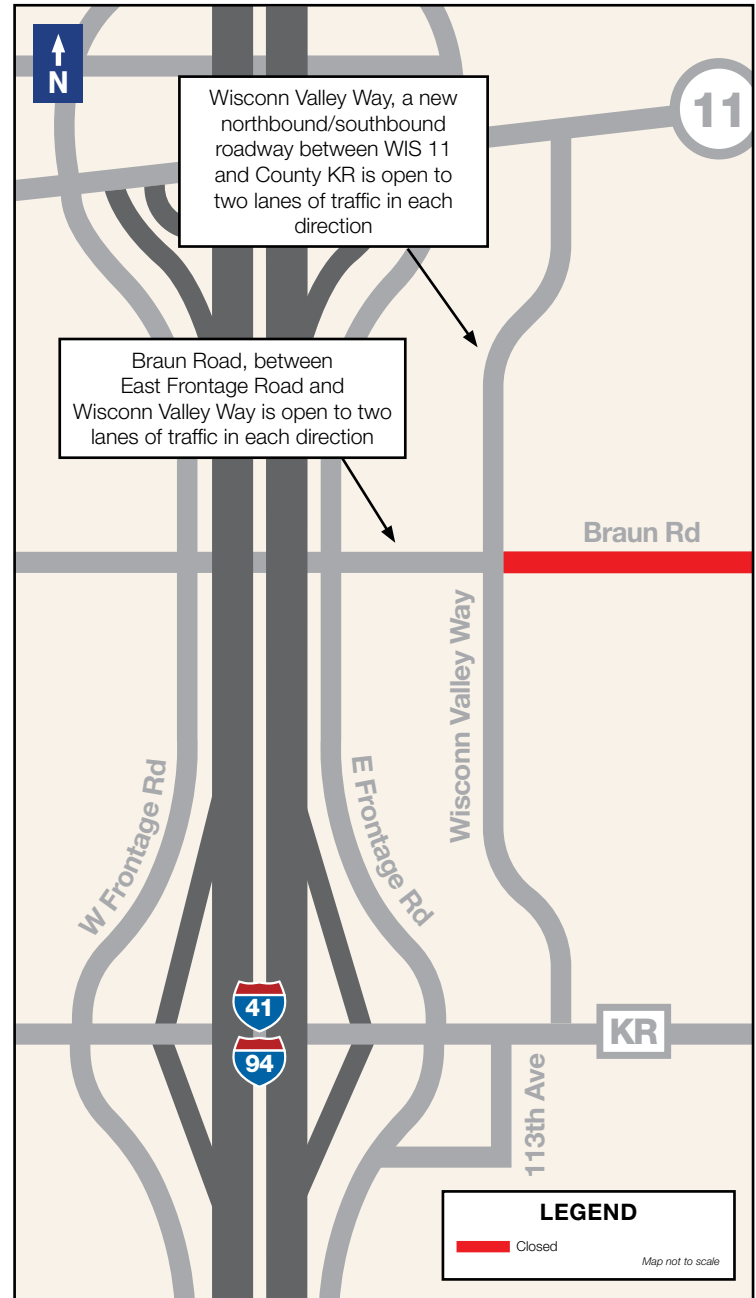

The Wisconsin Department of Transportation (WisDOT) is nearing the completion of the Wisconn Valley Way project. As part of this project, Wisconn Valley Way, between WIS 11 and County KR, has opened to traffic.

FRIDAY, JANUARY 17, 2020:

- Wisconn Valley Way, a new northbound/southbound roadway between WIS 11 and County KR, is open to two lanes of traffic in each direction.
- Braun Road, between East Frontage Road and Wisconn Valley Way, is open to two lanes of traffic in each direction.

New signals have been installed and are active at the intersection of Wisconn Valley Way/Braun Road and Wisconn Valley Way/WIS 11.

Project restoration is scheduled to occur in spring 2020.

The project team thanks you for your patience and cooperation throughout this project!
