NEWS & UPDATES

July 3, 2020

## WIS 11 Traffic Switch

The Wisconsin Department of Transportation (WisDOT) began reconstruction of the WIS 11 and County H intersection in early April. The following upcoming work is scheduled for the next phase of the project.

### Monday, July 6:

- Eastbound and westbound traffic on WIS 11 is scheduled to be shifted to the newly constructed westbound lanes as crews work to reconstruct the existing eastbound lanes.
  - > Flagging operations are scheduled to take place on WIS 11, between Wisconsin Street and County H, from 7 a.m. to 6 p.m. to complete this work.
  - > Flagging operations are scheduled to take place on County H, just south of WIS 11, from 7 a.m. to 6 p.m. to complete this work.

### Alternate Route:

- > Motorists are encouraged to use Wisconsin Street, WIS 20, International Drive, WIS 11, Wisconn Valley Way, and Braun Road to get around the overnight closures.

Access to residents and businesses will be maintained.

Please note that all work is weather dependent and subject to change.
