

# Project BRIEF

July 11, 2018

Development Roads Project information

## WIS 11 and Willow Road Intersection Project

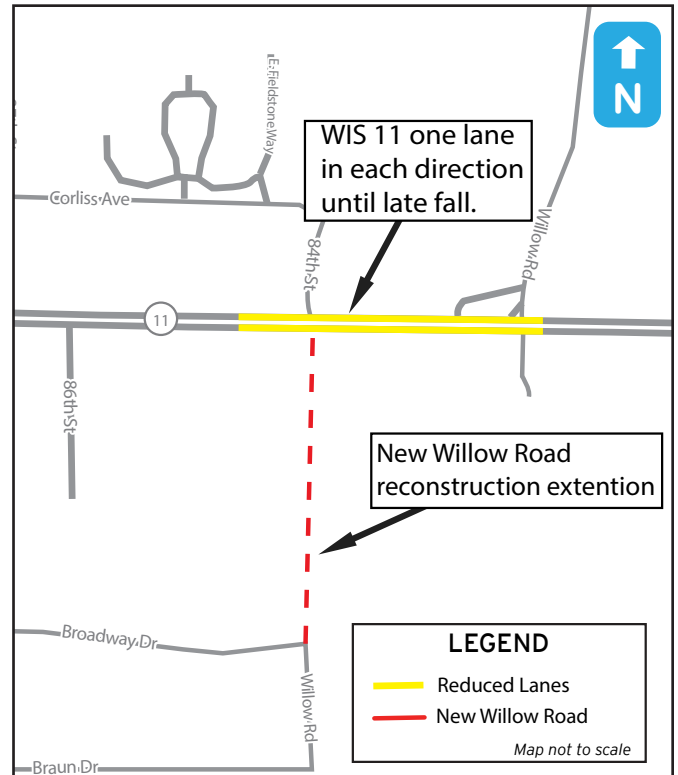

The Village of Sturtevant is scheduled to begin reconstruction of the WIS 11 and Willow Road Intersection in mid-July. The project includes a new signalized intersection at Willow Road/84th Street/WIS 11 as well as an extension of Willow Road from Broadway Drive to WIS 11. The project is scheduled to be completed substantially in late fall of 2018 with restoration work in spring of 2019.

All closures are weather dependent and subject to change.

Construction on the project scheduled to take place this year is outlined below:

- Project will include a new signalized intersection at WIS 11 and Willow Road/84th Street, including new concrete pavement on WIS 11.
- New asphalt roadway from WIS 11 and Willow Road/84th Street intersection south to connect to the existing Willow Rd termini at Broadway Drive (1/2 mile new alignment roadway).
- WIS 11 traffic will be reduced to one lane in each direction beginning mid-July until late fall.
- Access to businesses and residences will be maintained throughout this work.
- Upon completion of the project, a new north-south connection between WIS 11 and Braun Road will be in place.

As part of this project, there will be off peak nighttime closures of WIS 11 as needed for traffic shifts.

To learn more about the upcoming construction, closures, alternate routes and temporary business signing a meeting will be held in an open house format in Room A at the Village of Sturtevant, Village Hall on Monday, July 16. You are welcome to attend anytime between 4 to 6 p.m. or to receive project updates during construction, please contact Cynthia De Vor.

Date: Monday, July 16, 2018  
 Time: 4 to 6 p.m.  
 Place: Village Hall Sturtevant, Room A  
 2801 89th Street  
 Sturtevant, WI 53177

*The project team thanks you for your patience and cooperation throughout this project!*
