

I-39/90/94 WISCONSIN RIVER BRIDGE PROJECT

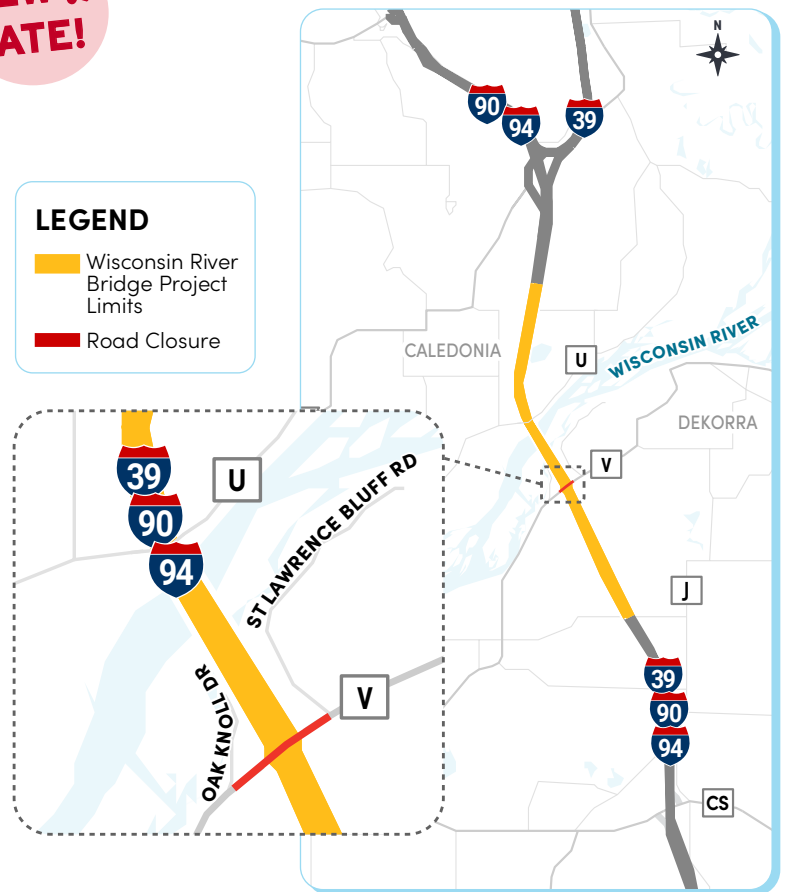

PROJECT BRIEF

The Wisconsin Department of Transportation (WisDOT) is replacing the I-39/90/94 bridges across the Wisconsin River in Columbia County, with project completion scheduled for 2027. The following work is scheduled to take place as part of this project:

BEGINNING WEDNESDAY, NOVEMBER 6:

- ~ **County V** between Oak Knoll Drive and Saint Lawrence Bluff Drive is scheduled to close for 72 hours while crews work to trench across the roadway.
- ~ The project team will be monitoring water levels along the Wisconsin River before and throughout the closure to ensure access is available in the event of a flood.
- ~ *Access to businesses and residences, will be maintained on either side of the closure. There will not be access across the County V bridge during this closure.*

The project team thanks you for your patience and cooperation throughout this project!

Please note all work is weather-dependent and subject to change.
