

Project BRIEF

I-94 North-South Freeway Project information

I-94 North-South Frontage Roads Project Update

The Wisconsin Department of Transportation (WisDOT) is scheduled to begin reconstruction of the east and west frontage roads as part of the I-94 North-South Freeway Project.

Schedule:

Starting January 8, 2018, with scheduled completion June 2018.

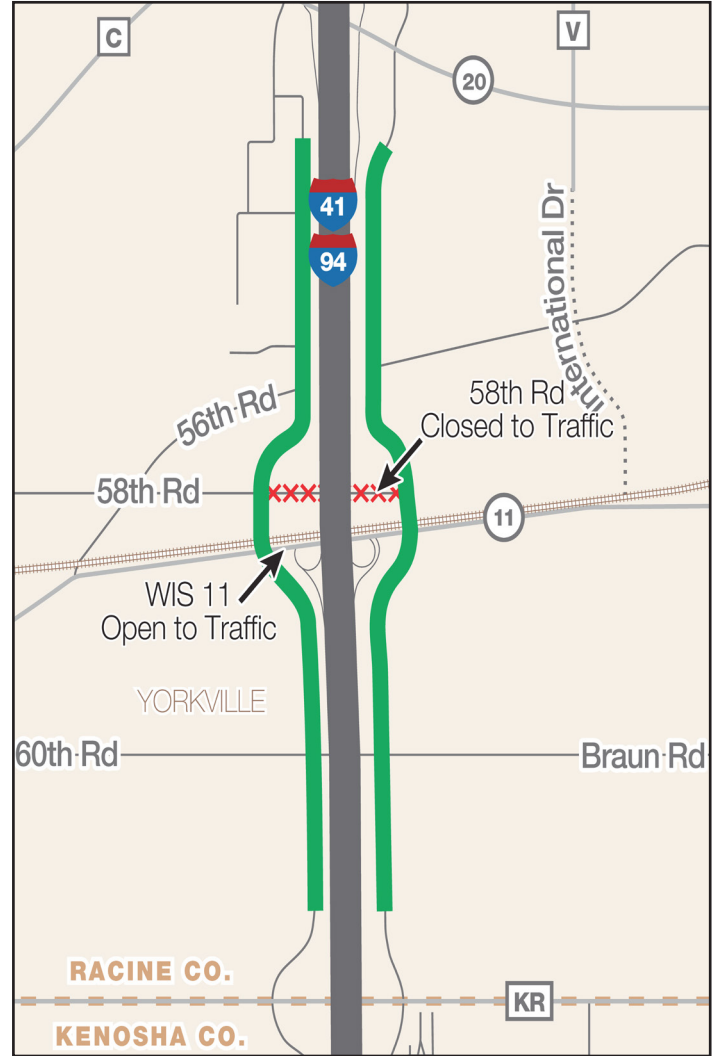

Overview:

- Reconstruct the frontage roads and intersections with cross streets.
- Reconstruct 6.5 miles of the frontage roads.
- Widen shoulders to improve safety.

What to expect:

- During construction, both east and west frontage roads will be open to local traffic only.
- County KR, WIS 11 and WIS 20 will remain open to traffic throughout the duration of the project. This also includes interchange access to I-94 North-South.
- The park and ride lot at WIS 11 is expected to remain open.
- I-94 North-South via County KR, WIS 11 or WIS 20 interchanges are the recommended detour routes to get around the closures.

To learn more about the upcoming construction, closures, detour routes and temporary business signing, or to receive project updates, contact Cynthia De Vor, Public Involvement Lead at Cynthia@devorpr.com or by phone at 262.510.8901.

The project team thanks you for your patience and understanding throughout this project!
