

Frontage Roads Project

News & Updates

94 NORTH-SOUTH
FREEWAY PROJECT

March 23, 2018

Greetings from the Wisconsin Department of Transportation!

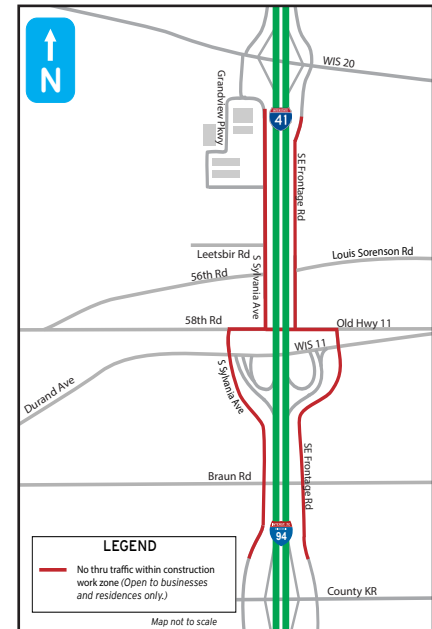

As part of Wisconsin Department of Transportation's (WisDOT) Frontage Roads reconstruction project, the upcoming work is scheduled.

Beginning Monday, March 26:

- Crews will begin the recycling of existing materials which is a 24/7 mobile crushing operation that will take place within the project limits.

Businesses and residents should be aware that there will be noise and dust associated with these operations and WisDOT monitors the contractors closely to ensure they are using dust control measures.

The project team thanks you for your patience and cooperation throughout this project!
