

US 18/151 PROJECT (COUNTY G TO WIS 69)

Weekly Construction Update

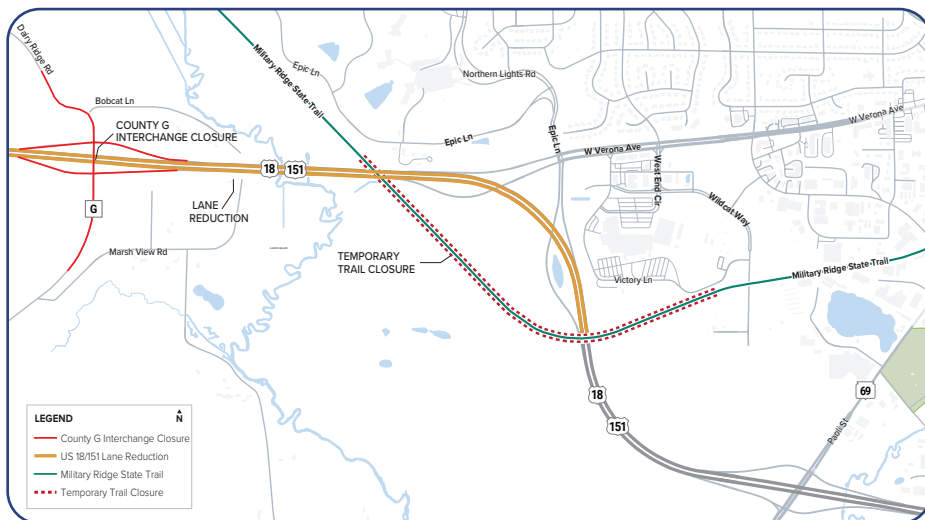

The Wisconsin Department of Transportation (WisDOT) is continuing construction along US 18/151 between County G and WIS 69 to address emerging traffic growth and operational deficiencies. Auxiliary lanes will be added, along with interchange and safety improvements. Construction began in March and is scheduled to be complete in late 2025.

WORK PROGRESS

- **Military Ridge State Trail box culvert south extension:** Wing wall construction continuing
- **County G/Dairy Ridge Road:** Pavement removals to begin in early August
- **W. Verona Avenue/Epic Lane entrance ramp to eastbound US 18/151:** Bridge widening north abutment construction to continue, and south abutment construction to begin
- **Sugar River bridge widenings:** Abutment, pier, and foundation construction to continue
- **Eastbound US 18/151, W. Verona Avenue to WIS 69:** Pavement removals to begin next week
- **Sign Structure foundations:** Foundation construction ongoing

TRAFFIC ACCESS IMPACTS

- **The speed limit on US 18/151, between Spring Rose Road and WIS 69, is reduced to 55 mph when work is taking place**
- US 18/151, between County G and W. Verona Ave./Epic Lane, reduced to one lane in each direction through fall 2025
- County G/ Dairy Ridge Road over US 18/151 and the eastbound and westbound US 18/151 ramps at County G are closed through fall 2025
- Military Ridge Trail closed through **late summer**
- Eastbound US 18/151, between W. Verona Ave. and WIS 69, reduced to one lane during off-peak hours (both lanes will be open week days from 3 p.m. to 6 p.m.)
- The Sugar River will be closed to watercraft navigation at the bridge; a portage crossing will be available to carry watercrafts around the closure
