

US 18/151 PROJECT (COUNTY G TO WIS 69)

Weekly Construction Update

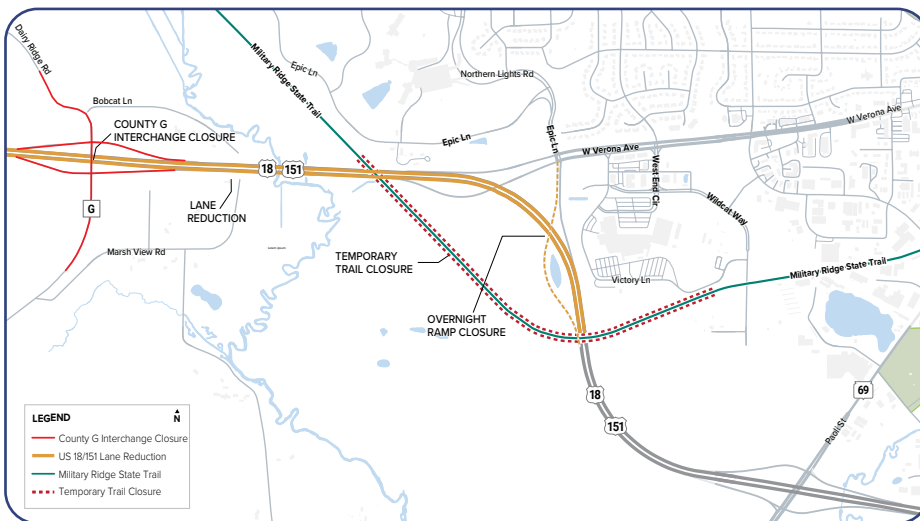

The Wisconsin Department of Transportation (WisDOT) is continuing construction along US 18/151 between County G and WIS 69 to address emerging traffic growth and operational deficiencies. Auxiliary lanes will be added, along with interchange and safety improvements. Construction began in March and is scheduled to be complete in late 2025.

WORK PROGRESS

- **Military Ridge State Trail box culvert south extension:** Culvert extension, structure backfill and cofferdam removal continuing, bridge railing installation beginning next week
- **County G/Dairy Ridge Road:** Excavation and pavement removals to continue
- **W. Verona Avenue/Epic Lane entrance ramp to eastbound US 18/151:** South abutment, structure backfilling and pier cap construction continuing, bridge girders to be installed next week at night
- **Sugar River bridge widenings:** Abutment, pier, and foundation construction to continue, bridge girders to be delivered next week
- **Eastbound US 18/151, W. Verona Avenue to WIS 69:** No work next week
- **Sign Structure foundations:** No work next week

TRAFFIC ACCESS IMPACTS

- **The speed limit on US 18/151, between Spring Rose Road and WIS 69, is reduced to 55 mph when work is taking place**
- US 18/151, between County G and W. Verona Ave./Epic Lane, reduced to one lane in each direction through fall 2025
- County G/ Dairy Ridge Road over US 18/151 and the eastbound and westbound US 18/151 ramps at County G are closed through fall 2025
- Military Ridge Trail closed through late summer
- The Sugar River will be closed to watercraft navigation at the bridge; a portage crossing will be available to carry watercrafts around the closure
- Overnight full closure of W. Verona Avenue/ Epic Lane entrance ramp to westbound US 18/151 nightly 10 p.m. - 5 a.m. next week
- US 18/151 rolling closures nightly 10 p.m. - 5 a.m. next week
