

State Street

TRAFFIC PATTERN ON INSIDE LANES

USH 51 Traffic -

- **New Traffic Pattern:** The NB and SB lanes will be shifted to the inside lanes
- One lane in each direction will remain open on Center Ave.
- The intersection of Center Avenue and Delavan Drive will remain a 3-way stop. All movements will be allowed through the intersection except to and from the west leg of W. Delavan Dr.

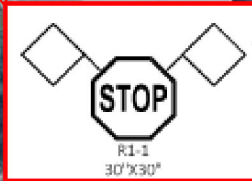

Delavan Drive - The west leg of the intersection will remain close to all traffic.

Work Zone shown in hatched red.

Traffic Flow shown in blue arrows.

Delavan Drive west leg to remain closed to all traffic.
