

State Street

STAGE 1A TRAFFIC PATTERN

USH 51 Traffic -

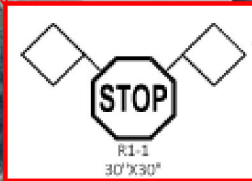

- **New Traffic Pattern:** The NB Lane will be shifted into the SB side to Bi-Directional traffic to allow work to occur in the NB lanes.
- One lane in each direction will remain open on Center Ave.
- The intersection of Center Avenue and Delavan Drive will become a 3-way stop. All movements will be allowed through the intersection except to and from the west leg of W. Delavan Dr.

Delavan Drive - The west leg of the intersection will close to all traffic.

Work Zone shown in hatched red.
Traffic Flow shown in blue arrows.

Delavan Drive west leg to close to all traffic.

Northbound USH 51 Left Lane closure prior to State Street, one lane of traffic in the outside lane

3-Way Stop Intersection

W Delavan Dr
