

Project Information

The Wisconsin Department of Transportation is making improvements to 6.22 miles of I-94 between Hudson and Menomonie in St. Croix County.

The project will resurface the existing travel lanes with a new, smooth asphalt layer.

Traffic Impact

To make beneficial changes, single lane closures will be used during overnight hours. The speed limit will be reduced to 55 MPH. Drivers should allow extra time for traveling.

Project Schedule

April 14, 2015 – Begin construction

September 15, 2015 - Project completion
