

Project Information

The Wisconsin Department of Transportation is making improvements to 5.7 miles of I-94 between County T and County BB in St. Croix County.

The project will resurface the existing travel lanes with a new, smooth asphalt layer.

Traffic Impact

Single lane closures will be used during overnight hours. The speed limit will be reduced to 55 MPH. Drivers should expect delays and allow extra time for traveling.

Project Schedule

April 1, 2015 – Begin construction

July 31, 2015 - Project completion
