

Project Information

The Wisconsin Department of Transportation is making improvements to 7.03 miles of I-94 between Black River Falls and Tomah in Jackson County.

The project will repair the concrete pavement and add a new, smooth asphalt layer.

Traffic Impact

Single lane closures will be used through the duration of the project. The eastbound and westbound rest areas will be closed at various times throughout construction.

Project Schedule

April 13, 2015 – Begin construction

August 26, 2015 - Project completion
