

## Project Information

The Wisconsin Department of Transportation is making improvements to 8.1 miles of I-94 between Elk Mound and Eau Claire.

The project will resurface the existing travel lanes with a new, smooth asphalt layer.

## Traffic Impact

The project will require single lane closures during the overnight hours on I-94 and WIS 312. Ramps will remain open to traffic through all stages of construction.

## Project Schedule

**June 29, 2015** – Begin construction

**October 15, 2015** - Project completion
