

Project Information

The Wisconsin Department of Transportation is making improvements to 8.1 miles of I-94 between Elk Mound and Eau Claire.

The project will resurface the existing travel lanes with a new, smooth asphalt layer.

Traffic Impact

The project will require single lane closures during the overnight hours on I-94 and WIS 312. Ramps will remain open to traffic through all stages of construction.

Project Schedule

June 14, 2015 – Begin construction

October 15, 2015 - Project completion
