

# C Dodgeville, E Division Street (Iowa Street to Diamond Oaks Drive)

July 2018

## WIS 191, Iowa County

### **Project Location**

The roadway improvement of WIS 191 (E Division St) begins just east of the WIS 23 (Main St) intersection in the City of Dodgeville. The total project length is approximately 0.7 miles in length. (See reverse side for a project location map.)

### **Project Need**

The proposed project was designed primarily to replace the existing deteriorated pavement and replace the existing underground utilities.

### **Proposed Improvements**

The proposed roadway improvements include reconstructing the underground utilities, placement of crushed aggregate, and paved with 4-inches of Hot Mix Asphalt (HMA). The proposed typical section for WIS 191 consists of one 12-foot travel lane in each direction with a 6-foot-wide parking lane on the north side of the roadway. The project includes extending the urban section east to Diamond Oaks Drive, with new sidewalk and curb and gutter placed.

WIS 191 roadway improvements include the following:

- Reconstructed sanitary sewer and water main
- Upgraded storm sewer.
- 4-inches of asphaltic pavement over 20-inches of aggregate.
- New sidewalk for the length of the project.
- Upgrading sidewalk curb ramps to meet ADA compliance to the extent possible.
- Replacing existing signing and pavement markings.

### **Construction Schedule**

The project will begin on July 18<sup>th</sup>. The anticipated completion date for the project is November 16<sup>th</sup>. During this time WIS 191 will be closed to through traffic and a detour route will be posted. Access for residents, businesses, and emergency services will be maintained at all times. (See reverse side for a detour map.)
