

WIS 67 Project - WIS 23 to WIS 32/57 Sheboygan/ Manitowoc Counties

Spring 2021

A detailed WIS 67 Construction Project Website is available at:

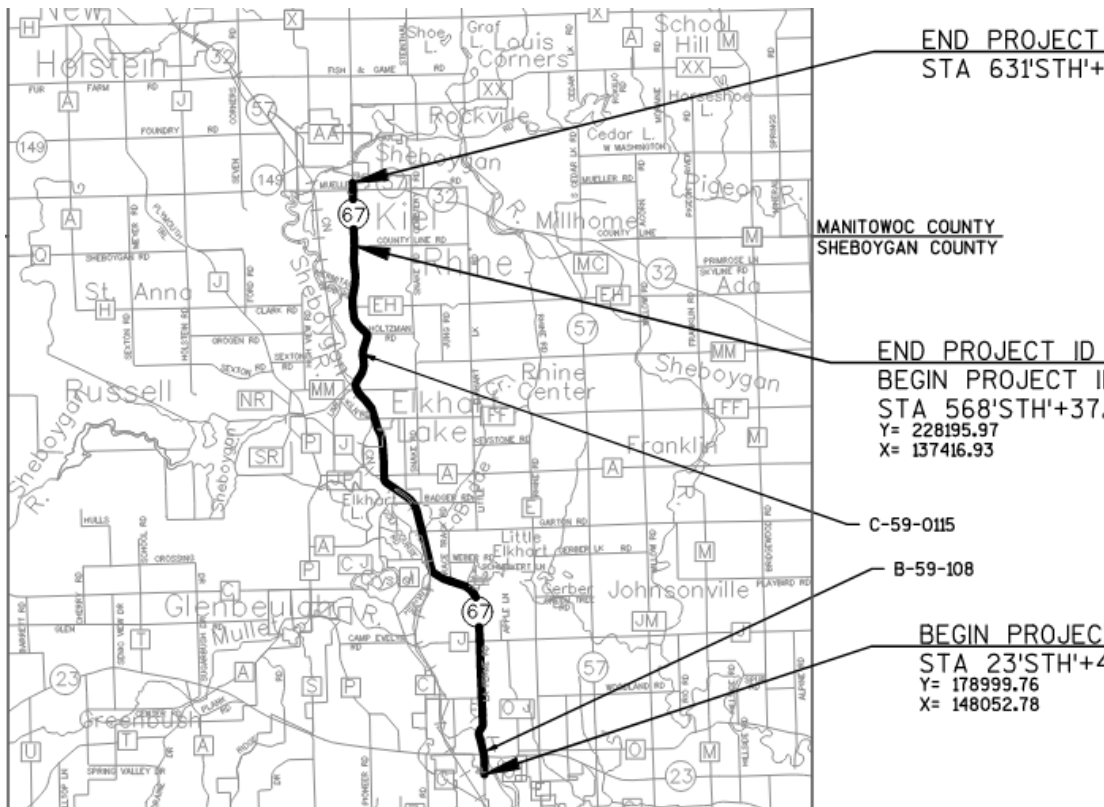

<https://projects.511wi.gov/wis67elk/>

The Wisconsin Department of Transportation (WisDOT) will begin construction on WIS 67 between the cities of Plymouth and Kiel in the spring of 2021. The contractors current schedule shows work beginning in late May and finishing in November of 2021.

Project Details

- Concrete Pavement
- Asphaltic Milling and Pavement
- Sidewalk Curb Ramps and Concrete Curb & Gutter
- Culverts & Storm Sewer Installation
- Beam Guard Installation
- Bridge Deck Concrete Overlay
- Box Culvert Replacement
- Pavement Marking, Signing, and Final Restoration

Project Location

Proposed WIS 67 Project Schedule:

Late May – September

Concrete pavement on WIS 67 at the WIS 23 Interchange - Short term (5 days max with only a single ramp to be closed at a time) closures of the ramps during the construction of the southbound lanes. No detour route will be signed.

Asphaltic milling and pavement, concrete sidewalk and curb ramps, culverts and storm sewer, beam guard installation, pavement marking, signing, restoration – All work completed under traffic with flagging and shoulder closures.

September - October

Bridge overlay and box culvert construction – A signed detour route (15 days for bridge work, 30 days for box culvert work) of WIS 67 will be in place to complete this work.

Early November

Final restoration and finishing roadway – Project completion and open to traffic.
